

### ELECT G. B. MASSEY TO HEAD WALTONIANS

#### Winnetka Chapter Holds Dinner in Atmosphere of Out-of-doors; Choose Officers

Forty-eight members of the Winnetka chapter of the Izaak Walton league sat down to a splendid dinner at Community House last Friday evening, in an atmosphere of the great outdoors, created by horns and mounted heads of animals, mounted fish, outdoor pictures, snow-shoes, skis, evergreen trees, and table decorations of autumn leaves.

President Alfred E. McCordic gave an interesting resume of the great activities of the national organization, and then turned the entertainment part of the meeting over to J. W. F. Davies as toastmaster. Splendid talks and papers were given by Chief Ranger, W. E. Davis; Ancient Mariner, Godfrey Atkin; Feather Chaser, Fred Fairman; Great Adventurer, George Massey; Complete Angler, W. T. Babcock; Chief Spigoteer, John C. Cobb, Jr.; and Mountain Climber, C. O. ### E. J. Schaad, Resident of Winnetka 45 Years, Dies

Edward J. Schaad, formerly a resident of Winnetka and a brother of Joseph H. Schaad, president of the Winnetka Building and Loan association, passed away at his home near Merrill, Wis., of heart trouble on Friday, January 20. Funeral services were held on the following Monday. The remains will be brought to Wilmette for interment some time in the near future.

Mr. Schaad was a pioneer resident of Winnetka, having resided in the Village for more than 45 years. He was during his residence here a carpenter contractor and was well known and liked throughout the north shore. About seven years ago he purchased a farm near Merrill, Wis., where he resided until his death.

Mr. Schaad is survived by his wife and four children, Peter Schaad of Wilmette, Gregory and Eleanor Schaad and Mrs. Samuel Silver of Merrill. In addition to his brother, Joseph H. Schaad of Winnetka, a sister, Mrs. Emma Fasnacht of St. Louis, Mo. also survives.

Dr. and Mrs. Charles M. Jacobs of 860 Burr avenue leave Winnetka early next week, accompanied by their daughter, Amelia. They will go first to Arizona and then may go on to California.

Mrs. George Calkins of 1030 Hubbard lane, left Winnetka, January 15, for New York City. She returned home Thursday, February 2, after visiting friends.

### Utility Employes in Large Number Study First Aid

A grand total of 542 employes of the Chicago Rapid Transit company and the three interurban electric railroads serving the Chicago metropolitan area—the North Shore line, South Shore line and Chicago, Aurora and Elgin railroad—completed the course in First Aid training during 1927 under the supervision of the Medical department, according to figures just given out by Dr. Hart E. Fisher, chief surgeon. This is believed to be a record for local public utility organizations for any one year.

Leading the list in number of graduates is the Chicago Rapid Transit company, which, during the past year, graduated 202 men and 33 women from the First Aid course. The other employe graduates are: North Shore line, 104 men and 28 women; Chicago, Aurora and Elgin railroad, 96 men and 24 women; South Shore line, 47 men and 8 women.

The increase in women graduates from the First Aid course is an interesting feature of this organized activity. All the graduates were trained by the medical department which serves the employes of all four companies. The value of this training to the general public is seen in the many instances of lives being saved by utility employes in emergencies entirely removed from the utility properties.

The First Aid graduates of the four companies will be awarded diplomas for their successful completion of the course during 1927, at the annual First Aid and Safety dinner to be held at the Palmer House, Chicago, the evening of February 23.
