

### New Trier Sends Art Exhibits to Foreign Countries

Two exhibits of Art work by pupils of the New Trier High school are being sent to foreign countries where they will be exhibited to children of Europe and Japan.

The first group, composed of about 75 pieces representing every phase of work done in the art department of the local school, is being sent to Japan. This exhibit, which has been prepared by the children under the supervision of Miss Olive Grover and Miss Catherine M. Murphy of the New Trier faculty, is designed to illustrate two points: friendship of the American people for Japan and the American type of Art work. Negotiations for a return exhibit are also being made by the school.

The other exhibit is being sent to the

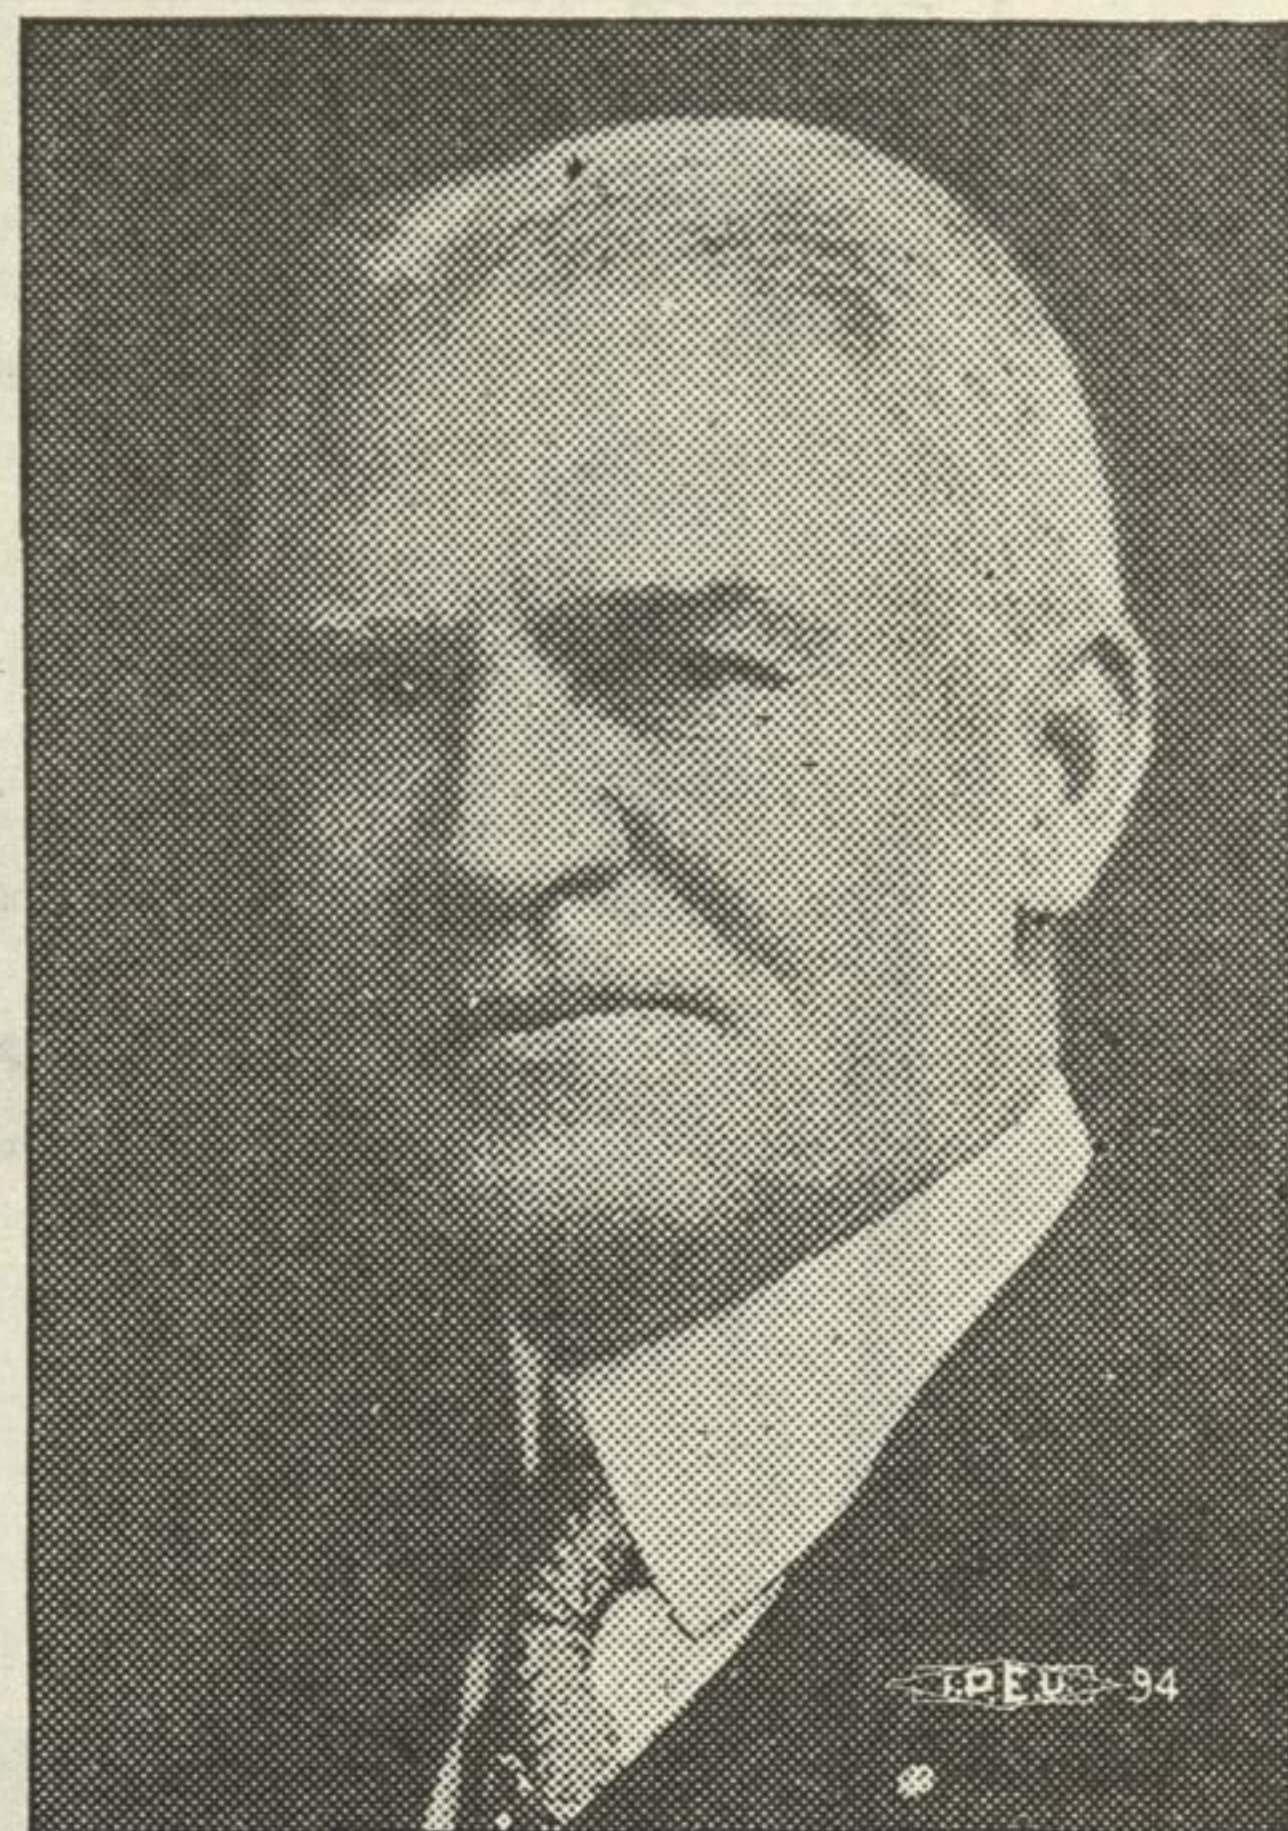

Sixth International Congress for Art Education and Art and Drawing in Industry which is to be held at Prague. The American exhibits are being collected at Hartford, Conn., where the best pieces will be selected and sent on to Prague.

The two groups of Art work bring the total of such exhibits to four for New Trier during this year as entries in the Art League contests and the Union League club Washington Birthday contests have previously been sent.

Mr. and Mrs. Charles Forman are giving a dinner this evening at their home on Pine lane in honor of Dr. and Mme. Emil Ludwig. Dr. Ludwig is the well-known biographer and is making a short visit in Chicago.

Mrs. Roy Peet, 1082 Pine street, with her mother, left last week for a visit with friends and relatives in Kansas City.

### Seeks Assembly Seat

Lewis B. Springer, 430 Maple avenue, Wilmette, is seeking the Republican nomination for the office of Representative in the Illinois State Legislature from the Seventh Senatorial district, which includes the New Trier area. Mr. Springer is a former state representative and has been particularly interested in reforestation legislation. He was instrumental in having an agriculture experimental station established in Cook county, which has proved a boon to truck gardeners in this vicinity.

Mrs. Howard Shaw, 994 Spruce street, who has been ill for the past ten days, is now convalescing.
