Noted Welfare Leader to Address Club Gathering

Herman Logan led a discussion of sororities and fraternities at the meeting of the Young People's club of the Winnetka Congregational church last Sunday night. There were about sixty young people present, and the discussion proved to be a very interesting one. The club decided that whether or not a fraternity or sorority is beneficial to a college depends upon the individual fraternity or sorority.

At the meeting this Sunday night, Mrs. Charles Moon is to be the speaker. Mrs. Moon is very well known in Winnetka for her social and charity work. She is to speak on her experiences as a social worker, and it is hoped that everyone of high school age will take advantage of this splendid opportunity to learn more about social conditions in Chicago. The meeting will start promptly at 7, in the Neighborhood room of Community House.

68 Percent of Parents Attend P. T. A. Meeting

Three hundred and fifty-nine parents attended the Parent-Teacher meeting at the Hubbard Woods school on January 30. In addition, a large group of friends and visiting teachers also attended. The meeting was featured by an address on the Locarno conference on education by Perry Dunlap Smith, headmaster of the North Shore Country Day school.

The largest attendance of parents of children in any one room was achieved by Miss Freda Barnett's first grade. Over 68 per cent of the parents of the room were present and as a large fern had been offered by the P. T. A. for the room having the largest attendance it was awarded to this grade.
