## "Where Can I Find A Good GARAGE?"

*Asked a Stranger in One of Our  
Local Markets*

—"Just around the corner—Hanson's," said one woman.

—"That's right"—said a second.

—"That's where I always take my car," said a third, "and I always get satisfaction."

The fourth to speak was a gentleman—and he too said

## "HANSON'S"

—and the party looking for a garage came in for repairs to his car and told us about this incident.

We wish, at this time, to thank our boosters—and give assurance to all that Hanson's Motor Co. gives satisfaction.

### Electrocution Is Found Most Humane Stray Dog Killer

The device installed by the Village of Winnetka recently for the purpose of electrocuting stray dogs, instead of shooting them, as has been the custom for many years, is proving highly satisfactory, the Police report.

The cost of the equipment and its installation, according to Village Manager H. L. Woolhiser, was only \$90. In further commenting on it, he said:

"It has been felt for some time that the disposal of unclaimed dogs by shooting is inhumane and also disagreeable to many of the police officers required to perform this task.

"Upon investigation, it was found that the animal rescue league of Boston has adopted electrocution as the most humane method of killing dogs, and can supply a patented automatic electric cage at a price of \$375.

"It was found that the Anti-Cruelty Society, 155 West Grand avenue, Chicago, has used one of these cages for over twelve years with entire satisfaction, and the cage is highly recommended by well-known national authorities.

"It was therefore decided to adopt this method and to build one of these cages at the service yard, under the direction of Superintendent Harold J. Bohnen, thereby saving considerable expense. The cage was built and put into operation in January, at a total cost of approximately \$90.00."

### Firemen Get Three Calls; Little Damage to Report

Friday afternoon of last week the Winnetka Fire department was called to the residence of Rush C. Butler, 40 Locust road, where a fire, spreading from a burning brush heap had gotten into the shrubs and trees.

In the forenoon of the same day they were called to Hibbard road and Cherry street, to extinguish a grass fire, caused, it is said, from a lighted cigaret stub.

Last Thursday afternoon they were called to the residence of Stanley Rich, 461 Maple avenue. They found a smoke filled basement, but no fire except in the furnace.

### AT HOSPITAL BENEFIT

Many Winnetka and north shore members of the Auxiliary of the Chicago Lying-In hospital and dispensary, were present at the Standard club Wednesday afternoon when Mme Gita Gradova, who has just closed a season with the New York Philharmonic and the Chicago Symphony orchestras, gave a benefit recital. The funds realized are to be added to those being collected for the erection of a new Lying-In hospital on the Midway.

Mrs. James Austin Richards, of 739 Lincoln avenue, Winnetka, who has been in New York City this week visiting her parents and her sister, is expected home today.

Mrs. R. A. Whipple of 170 Woodland avenue is convalescing at her home after returning from the Victory Memorial hospital at Waukegan.
