

Some Questions Answered
about
The Christian Science Monitor
An International Daily Newspaper.

Q. *What is The Christian Science Monitor?*

A. A daily newspaper read throughout the world.

Q. *How does it differ, in its contents and its policies, from other daily newspapers?*

A. It publishes only clean, constructive news, omitting accounts of crime and scandal. It views all events from an international standpoint, and its columns are free from the influence of political or financial interests.

Q. *What kind of people read the Monitor?*

A. People who want a clean, reliable daily paper, telling them the important events of the day, together with interesting news and comment relating to Music, Art, Drama, Education, Literature, Business, Finance, Sports, Radio. Household and Young Folks' pages are also regular features of the *Monitor*.

Q. *Why do advertisements in The Christian Science Monitor bring satisfactory returns?*

A. Because readers of the *Monitor* are glad to give their cordial support to the advertisers who use its columns.

GENERAL GE ELECTRIC
Refrigerator
Is Here

Every General Electric Icing Unit is assembled in a dust-proof room—like the mechanism of the most precise scientific instruments. Every step is tested. The refrigerating fluid and a permanent supply of oil are sealed in. More tests are made. Once it leaves the General Electric factory, no one has any further assembling to do.

That's why we can stand behind each General Electric Refrigerator with a guarantee.
