

Country Day Basketball Teams Annex Many Games

The North Shore Country Day school basketball teams have been continuing their records of winning games in the latest series of the present month's events, having met few defeats during that time.

February 2, the North Shore light-weights lost to Skokie, 10 to 6, but on the same date the North Shore middleweights defeated the Skokie team, 12 to 2.

On the following day, in the games with teams from the Howard school (Wilmette), the North Shore Seconds won, 5 to 4, but the Firsts lost, 23 to 24.

February 7, the North Shore team defeated the Skokie Alumni, 20 to 7, and on February 10 the North Shore first team annexed another victory when it defeated the Chicago Latin school, 24 to 22.

February 10 was also a good day for the Girls' teams of the North Shore school, when the First team defeated the Carl Schurz team 45 to 23 and the second teams rolled up scores of 25 to 13 in favor of North Shore.
