### Triangle Bowlers Engage in Tilt at Loyola Alleys

The Winnetka Triangle club's second team, in a challenge game with the first bowling team of the club, Tuesday evening, went down to defeat by something like 200 pins. The game was bowled at the Loyola alleys and was a most bitterly contested affair, as a result of the spirit of rivalry existing between these two teams. The second team appeared to be on the road to victory at several stages of the game, but the first team finally delivered the wallop to the "Goofs."
