

Mother Is Guest, Daughter Hostess, at Club Banquet

Thursday evening, February 16, the Girls' club at New Trier High school gave its annual Mothers' and Daughters' banquet. This banquet is given each year by the girls as a tribute to their mothers and also in order that the mothers may meet other mothers and teachers outside of school hours.

The feeling of fellowship and good cheer was maintained throughout the evening by songs and cheers. To begin with a delicious dinner was served. After the feast both mothers and daughters adjourned to the auditorium where speeches were made and entertainment provided. Jane Burrill, president of the Girls' club, welcomed the mothers and introduced Miss Elizabeth Packer, dean of girls, who, in the course of her talk read excerpts from a letter written by Miss Wright, former sponsor of the club, who is in England, to Miss Murphy who is club sponsor during Miss Wright's absence. Miss Wright's letter expressed her homesickness for the girls and the club and also related her many fascinating and interesting experiences in England.

Several mothers were called upon for remarks.

A group of junior girls gave a dance called "The Skaters." They made a very pretty sight in their red and white costumes. Helen and Doris Fraser sang a group of songs to conclude the entertainment.
