The Spring Coat In Three Versions

The Cape Coat, the Scarf Coat, the Flared Coat are all seen in Rosenberg's collections for Spring and Summer. A tan twill coat has scarf with ends in harmonizing ermine tails, \$59.75.

Sometimes the cape is knotted in the front; sometimes it is full flowing down the back. The versatility of the cape in Spring frocks lends itself to a smart expression of the greater feminine feeling in the new fashions. \$29.75.
