Winnetka Post No. 10, American Legion Members Visit Great Lakes Hospital; Next Trip March 25

On February 26 a party consisting of Harold W. Snell, Clarence Schafehen, Edward R. Lewis, Marshall Knox, Howard Carpenter, Thomas J. Lynch, Earnest Campbell, Willis Erne, and E. H. Howell, of Winnetka Post No. 10, American Legion, visited the Great Lakes Naval hospital.

In addition to providing cigarets, the party distributed thirty-seven suits and overcoats and miscellaneous wearing apparel, consisting of shoes, sweaters, shirts and ties.

When the trip was made to the hospital in January, only two hundred sixty-six beds were occupied, but since that time the in-coming patients have brought the roster to over four hundred.

Many of the in-coming men are in need of clothes, and it might be explained not all these men receive compensation, although they do receive the free hospital care and food from the Government.

Next Trip March 25

Winnetka Post No. 10 is going to the hospital again on March 25, and if any citizens of Winnetka have old suits or overcoats for which they have no further use, the members of the Post would be very glad to gather such clothing for distribution at the hospital.

Please call Harold Voltz, 882 Spruce street, phone Winnetka 1455; Frederick L. Chapman, Adjutant, 795 Pine street, phone Winnetka 1797; or, E. G. Howell, 558 Birch street, phone Winnetka 1293.

The recipients of the clothing on last Sunday were very thankful, and Winnetka Post in turn wishes to thank the generous citizens of Winnetka, through this medium, for their kindly and grateful support.

Mr. and Mrs. E. Dunbar of Sheridan road, Hubbard Woods, and Mrs. William S. Elliott of 650 Blackthorn road returned Monday from the Huron Mountain club, in northern Michigan, where they spent five days.

MONEY in CIRCULATION KEEPS BUSINESS ADVANCING

Your money in a savings account is safe from fire or theft, and is not only performing a patriotic duty but is increasing in value for you every day.

Isn't it strange, we find some people who hoard their money in their homes and its idleness profits no one, not even its owner and 5 or 10 years later it has not increased any since first put away.

Do not wait until something happens to make you realize that the only safe place for your money is in the bank.
