Women Voters

Mrs. Gross T. Williams, chairman of the social hygiene committee of the Winnetka League of Women Voters, addressed the staff of the Lake Bluff orphanage on Friday.

The village affairs committee of the Cook County Leagues of Women Voters studied at their meeting last Tuesday in state headquarters, the outlines of Winnetka village government and the City Manager plan as prepared by H. L. Woolhiser, manager of Winnetka.

On Tuesday the Annual Spring Field Finance day of the Illinois League of Women Voters will be held as in past years, at the home of Mrs. William G. Hibbard in Winnetka. Last year this meeting was attended by sixty local league presidents and finance chairmen and more are expected this year. Those from Winnetka actively taking part in the conference will be Mrs. Hibbard, first vice-president of the Illinois league; Mrs. W. L. Benson, state treasurer, and Mrs. John N. Vander Vries, state membership chairman.

Mrs. A. Montague Ferry, first vice-president of the Winnetka league, and Mrs. Roger Sherman, finance chairman, will represent the Winnetka league at the meeting.

The Forum of the League of Women Voters and the Association for Peace and Education are holding an educational conference on "The Study and Teaching of International Relations" on March 10, in the Gold room of the Congress hotel.

Professor Pittman Potter of the University of Wisconsin will speak on "Methods and Motives in Studying International Relations" at the morning session, and in the afternoon James McDonald of the Foreign Policy Association of New York will discuss, "The Press and the Education of the Adult in International Affairs."

Carleton W. Washburne, superintendent of Winnetka schools, is a member of the committee on arrangements. As there are a number of Forum members in the Winnetka League of Women Voters, this conference should have a good representation from the community.

Mr. and Mrs. Arthur Higley, formerly of Chicago, moved last week to 710 Lincoln avenue.

SLAY 'INNOCENT' DOG

Mistaken Identity in Canine Which Bit Winnetka Youths Results in Killing of Wrong Dog

Mistaken identity has been responsible for many false charges of various crimes, including even that of murder, and biting people, the latter charge against a poor innocent Winnetka doggie, recently, resulting in his electrocution.

Then it was discovered, but too late, that the dog which had been put to death, was not the one which recently bit four Winnetka youths. The biting dog was later captured and proved to be suffering from rabies, from which he died.

The boys, who were bitten, told the police the dog which had attacked them was owned by Philip J. Hoza, residing at 554 Arbor Vitae road.

Mistaken Identity

This is where the mistake in identity came in. The boys were sincere in their statements, firmly believing they recognized the dog.

Mr. Hoza willingly turned his dog over to the police, that the animal might be put to death. For the sake of his own family as well as for that of his neighbors, he had no desire to keep a dog that was so ferocious, even though it should be proven that the animal was not suffering from rabies.

Mr. Hoza, however, was at a loss to understand how his dog should have suddenly manifested this vicious nature, but he did not question the positive identification made by the boys who had been the victims, to what proved to be another dog.

And thus it was that mistaken identity resulted in the electrocution, by the police, of Mr. Hoza's innocent dog.

Mr. and Mrs. Lewis P. Mercer of 684 Pine street moved Wednesday to Barrington, where they are building a new home. The F. A. Hancock family of 1181 Oakley avenue, Hubbard Woods, has taken the former Mercer home on Pine street.

Mrs. Arthur Davis of 470 Drexel avenue, Glencoe, left Friday, March 2, for Glendale, Cal. Mrs. Davis will visit her mother, Mrs. Blake Franklin, and will return in about a month.
