

PIERCE ARROW

A YOUTHFUL PATRICIAN

With the assurance of ancestry, the new Pierce-Arrow found instant place in the world to which it belongs

ABOUT the new Pierce-Arrow there is a certain distinction that no designer could ever bestow. That is its heritage. That is the thing which is Pierce-Arrow. It cannot be imitated.

Great engineers, fine body builders, and highly skilled craftsmen combine to produce other cars contemporary with the new Pierce-Arrow.

But these other cars, fine as they are, lack the Pierce-Arrow tradition. And that tradition is responsible for the precedence which is accorded Pierce-Arrow the world over.

Twelve custom-built models in the Continental fashion and colorings.

From \$2900, at Buffalo.

You may purchase a Pierce-Arrow out of income if you prefer. A simplified financing plan makes this a most practical procedure. Your present car accepted as cash up to the full amount of its appraisal valuation.
