

Announcing the Extension of a Useful Service to Wilmette

In the new Linden Crest apartments, at 424 Linden Avenue, the broad facilities of this 44 year old organization of North Shore real estate specialists are now conveniently available to Wilmette residents.

We are pleased to announce that Mrs. Jane McDowell, formerly with E. E. Stults Realty Company, and Mr. Deane Dodson, from the Renting Department of our Evanston office, will be in charge. They will specialize in the sale of property in Wilmette and other North Shore towns. Mr. Dodson will represent the Renting Department in the management of the Linden Crest.

The new addition further rounds out a service that North Shore property owners, buyers and renters have learned to depend on without question. This organization, covering the district from Lake Forest to Evanston, is constantly in touch with timely opportunities for investment and residence.

Get acquainted with the helpful service and sympathetic counsel to be found at any Quinlan & Tyson office. Come in, when convenient, and meet our new representatives.
