

Glencoe's First Apartment

Hazel Crest, Glencoe's first apartment building, which it is announced will be completed, ready for occupancy by May 1. It is located at 373 Hazel avenue, comprises 29 apartments of from one to four rooms each, with one added room efficiency in each. The architecture is of Old English style, developed in stone, brick, plaster and half timber work, adapting itself to the surrounding beautiful homes in Glencoe.

Public Service Plans for \$15,000,000 Construction

Announcement by Samuel Insull, chairman, that the Public Service Company of Northern Illinois plans to spend upwards of \$15,000,000 on new construction during 1928, was an important feature of the company's stockholders' meeting in Chicago Monday afternoon, February 27.

In picturing the growth of the Public Service company during recent years Mr. Insull stated that the territory now being served by this

company includes more than 6,000 square miles—larger than the whole state of Connecticut.

BUYS EVANSTON HOME

Frank N. Reed of Evanston has purchased the 6-room English cottage at 2615 East Railroad avenue from Mr. and Mrs. Charles A. Beck of Los Angeles, Cal. Frank C. Betts, manager of the local office of the E. E. Stults Realty company, was the broker.

THIRTY YEAR FRANCHISE

The Waukegan-North Chicago board has endorsed the action taken by the town council in passing a resolution in favor of a thirty-year franchise to the North Shore Electric railroad. The

board advances the argument that such a franchise will increase transportation facilities for many residents there by heightening the value of their property and is for the best interests of the city.

This is a Gem Discriminating Folk—

—and those who require a home—in which every detail has received careful consideration and no expense has been spared—will appreciate this "Show Place."

Planned to accommodate either a large or small family. *Something a little different, with many attractive features.*

A real home.
