The Courtesy of the Highway

We take this opportunity of expressing our appreciation for the co-operation lent us by our city's motorists in the conducting of funeral corteges through the streets of our city.

In almost every case we have met with deference from both traffic officers and citizen motorists. It makes us feel grateful and also proud to know that we are a part of a community made up of such courteous, considerate citizens.

Housecleaning When It's Needed

(not according to the calendar)

It isn't necessary for you to wait until the calendar says "Housecleaning Time."

We're housecleaning for neighbors of yours every day in the year . . . let us do some for you this week.

Let us wash and dry your *curtains to measure* . . . they'll brighten up your rooms wonderfully.

Let us wash and dry your *feathers* in their own ticks . . . they'll be so much sweeter and downier.

Send your *heavy blankets, your spreads and quilts* . . . freshen up your beds with clean, new things.

Bundle up those *bath rugs* . . . *bath robes* too if they're washable.

You have no idea how much more livable your home will be for a little mid-winter housecleaning.

We'll gladly give you an idea about the cost. Just phone us.
