The plans call for a cinder roadway. The two bids received were from Paul Reschke, for \$7,159 and the Arcola Construction company, for \$7,436.75, the former being about \$150 above the engineer's estimate. The contract was awarded to Mr. Reschke, and work, it is said, is to start soon.

NEW COMMISSIONER

J. A. Williams Appointed to Fill Vacancy Caused by Resignation of H. H. Sherer, Highway Official

J. A. Williams, assistant village manager and deputy building inspector of Glencoe, at a meeting of the Township Board of Auditors, Monday evening, was appointed Township highway commissioner, to fill the vacancy caused by the resignation of H. H. Sherer.

Commissioner Sherer, the Board announced, finds that it will be necessary for him to be away from home a great deal during the next month, and his resignation was tendered that the Board might appoint someone to look after the business during that time.

The election will be April 3. Mr. Williams is a candidate. Up to last June he had been for several years assistant to Mr. Sherer, during which time he became familiar with all the details of the office, and the Township Board of Auditors, upon receipt of Mr. Sherer's resignation, quickly availed itself of the opportunity to place a man with this experience in charge.

Five Year Term

The commissioner, with the exception of the school trustee, is the only township officer to be elected this spring, and this will be for a term of five years, at the expiration of which, in 1933, all township offices will come up for election.

The provision for the termination of various township official terms on the same year was started a few years back and the adjustment of the commissioner's term at this time, will complete the plan.

The New Trier Citizens' League, J. M. Dickinson, Jr., president, at a recent meeting endorsed the name of Mr. Williams for highway commissioner and also that of J. Edward Maas of Wilmette for reelection to the office of school trustee.

East St. Louis, covering 8,627 acres, ranks second only to Chicago in area of Illinois cities.
