

Barrington Acres  
Afford Country Comforts  
44 minutes from Chicago

## Have You Discovered Barrington?

Here is a nearby region you should know because of its favored natural environment, and midway position between Chicago and the lake region. For the city man who wants clean air, quiet, and exercise for himself and family, no better location than Barrington can be imagined.

Chicago is 44 minutes away to the southeast—Lake Geneva is 40 miles away to the northwest. Paved roads, including the new County Line road, lead direct to the city of Evanston. A 900 foot altitude gives Barrington a commanding view of the picturesque countryside. A flourishing shopping center supplies the homeowner's needs, and evening amusement.

Quinlan & Tyson have followed the rapid development of Barrington from the first, and are well posted on the present activity there. They have available homesites as small as four acres or as large as 300 acres.

Prices are attractive now, and are on the rise. Let us tell you something of Barrington's bright future. Drive out and look the ground over. Come here, or communicate with us, for full information.
