Work on New Trier Gym Progresses Rapidly

That New Trier High school's new gymnasium represents everything that such a building should be, is clearly demonstrated in the three views shown above, all of which were taken by members of the New Trier Lens club.

The exterior, harmonizing completely with other structures of the institution, is beautiful in the comparative simplicity of its architectural lines. Lacking the over-ornate features of many structures, it carries, nevertheless, adequate ornamental features to soften and tone the blankness that is often encountered in such a building.

The picture of the interior offers striking proof of the spaciousness of the building, showing the auditorium as it would be when completely opened out into one large room. The rows of windows located immediately above the balconies and extending the entire length of the gymnasium furnish adequate light and air while the high ceiling facilitates play on the basketball courts.

DEFEATS COUNTRY DAY

Marywood High school of Evanston, whose basketball team has been having a successful season, scored a victory

over the North Shore Country Day school by a score of 48 to 19. The game was played in the Marywood gymnasium.

Miss Marjorie M. Smith, 879 Oak street, entertained a small group of her friends at Sunday tea at her home, on Sunday, March 4.

**SURELY ONE OF OUR SERVICES IS
ADAPTABLE TO YOUR NEEDS**

THAT is another advantage of sending the family washing to the Washington Laundry—being able to choose the laundry service adaptable to your needs.

We do all-ironed work, partially-ironed work, and work which returns the clothes damp for ironing. There is one thing that any one of these services does for you, aside from giving clean clothes satisfaction, and that is eliminates the tiresome task of doing or supervising the washing.

We wash your clothes thoroughly, sweet and clean in rain-soft water with a minimum amount of soap and chemicals . . . and without vigorous rubbing. In short our standards of laundering are as exacting as the most painstaking domestic methods.

This is the Washington Laundry Man. He will help you choose the Washington laundry service adaptable to your needs, and in keeping with your household budget.
