

Lee Says:

THERE may be
BETTER places
TO live in than
WINNETKA but I
HAVEN'T found
ONE of them yet.

4 Etchings by Local Artist in Exhibit

Four etchings, "Beach Shadows," "Dunes," "Pine Point," and "Old House," by Allan E. Philbrick, Winnetka artist, are included in the exhibition of etchings which is now being held at the Art Institute under the auspices of the Chicago Society of Etchers. The exhibition includes more than a hundred etchings by both American and foreign artists and those on display were selected from the large number submitted, by a jury composed of eminent artists.

Orrington Art Exhibit to Include Local Works

The attention of the members of the North Shore Art league is called to the fact that pictures to be entered in the exhibit at the Orrington hotel, Evanston, must reach the hotel by Friday, April 6, to give the committee of selection time to decide upon them. This exhibit will open April 13 and continue throughout the month of April, with a secretary on duty every day from 2 to 9 o'clock to show the pictures. The exhibition is under the auspices of the University Guild of Evanston.

Helping Each Other Grow

For our mutual good, we urge upon you the spirit of closer relations. We feel that if we can make practical suggestions to help you with your own financial problems in your business and household, you in turn will speak well for this organization and thus we can help each other grow.

Whenever your money problem is a bit hard to solve, come in and let's talk it over.

Meet to Consider Drastic Change in Zoning Ordinance

Members of the executive committee of the Winnetka Business Property Owners' association are to meet this week end to determine what action the association should take as a result of the recent amendment by the Winnetka Village council of the zoning ordinance.

The amendment reduces the number of families per acre permissible in "C" commercial or business and apartment areas, from 72 to 36.

The association was formed January 30, by owners of property affected by the drastic change in the ordinance, who, at that time, announced it is not their desire to go to court with the matter, but legal counsel had advised them that the amendment would not stand, in court.

Members of the organization estimated that the change represents, conservatively, a depreciation in their property of one and a quarter million dollars.

The members of the Association's executive committee are Leonard H. Roach, J. E. Winterbotham, R. H. Schell, Walter Bell and Roland Whitman.

Approve Plans for 2 New Units for Skokie School

Plans for the addition of two units to the Skokie school were approved by the Winnetka school board at its meeting last Wednesday night and the date for a special election in which the voters will be asked to approve the project, was set for April 14. Bonds will be issued to the extent of \$200,000 if the measure carries.

One of the sections, consisting of four rooms, would be built directly off the south wing of the present building. The second unit will provide for two gymnasiums, one for the girls and the other for the boys, a cafeteria and several shop rooms. It will be an entirely separate unit. The plans were submitted by Hamilton, Fellows and Wilkinson, architects, and form a part of the school board's program of expanding the school facilities as it becomes necessary.

Editor Talks to C. of C. Concerning "Illinois"

George E. Stephens, editor of the Illinois Journal of Commerce, gave an interesting talk on "Illinois" at the March meeting of the Winnetka Chamber of Commerce last Monday evening.

Mr. Stephens also spoke briefly on the subject of water-ways and transportation and what is being done along those lines in this state.

It was announced by President Thomas J. Lynch that Henry R. Rathbone, Congressman-at-large, and a resident of Kenilworth, will probably be the speaker at one of the meetings of the Chamber in the near future.

Because of the short spring vacation given to Yale students this year, George Bragg Massey, Jr., son of Mr. and Mrs. George B. Massey of 705 Sheridan road, will probably not return to Winnetka for this vacation.

Walter A. Sawyer and Miss Cornelia and Dorothy Sawyer, 604 Lincoln avenue, have been confined to the house during the week with influenza. They all expect to be about next week, however.

Mr. and Mrs. Chester Van Buskirk, 1096 Spruce street, entertained at dinner Friday evening, March 9, in honor of Mrs. George Cherry, who gave a reading at the meeting of the Pine Street circle.
