78 Pupils Can't Be Wrong

... and that's the number that Mr. Meltzer instructs each week. Although he has studied and played other instruments, Mr. Meltzer specializes in the teaching of the clarinet, saxophone, the instruments of the brass family, the fretted instruments (banjo, mandolin, and ukulele) and the drums.

There remain 15 weeks to make a beginning on the instrument of your choice before the vacation days begin. The ukulele can be fully mastered in that length of time. Boy Scout Buglers can learn the fundamentals of bugling and all the calls used in the service.

See Mr. Meltzer before buying your instrument. He will gladly advise and help you in its selection.

SPEAKS HERE SUNDAY

Dr. Glenn Frank, President of the University of Wisconsin, in Wilmette March 18

The speaker Sunday evening, March 18, at the Wilmette Sunday Evening club will be Dr. Glenn Frank, president of the University of Wisconsin. Dr. Frank spoke last season and the season before at the Sunday Evening club. His addresses have been considered among the best in the history of the club. Dr. Frank was formerly editor of the Century Magazine, and is at present a contributor to a chain of metropolitan newspapers. He was on the lecture platform for a number of years. He was also associated for some time with Edward A. Filene, the great Boston merchant, in research and organization work.

Dr. Frank was a member of a group headed by Ex-President William Howard Taft which drafted a covenant for the League of Nations, considered by the Peace Conference at Paris, 1918-1919.

He is the author of "The Politics of Industry," "An American Looks at His World," and various studies in the Century Magazine. He was co-author of "The Stakes in the War," "The League of Nations—The Principle and the Practice," published in 1919.
