## "The Lily"—a Design in Cretonne 89c

Upon a background of black, a large lily stands out in white as if embossed. A Chinese flower pot adds just the right amount of color. This is but one of the scores of designs to choose from.

Whether it is a domestic or an imported cretonne, in the 50, 36 or 32-inch width, gaily brilliant or mildly subdued—you will find just the right pattern in our comprehensive stocks, 49c to \$2.25.

## "Town and Country" Part Linen Cretonnes, \$1.35 yd.

For the dining room there is the "Chippendale" effect, using the Chinese motif—a warm grey background and bright designs give this cretonne a cheery atmosphere.

## Simmons Beds Are Decorative, Too!

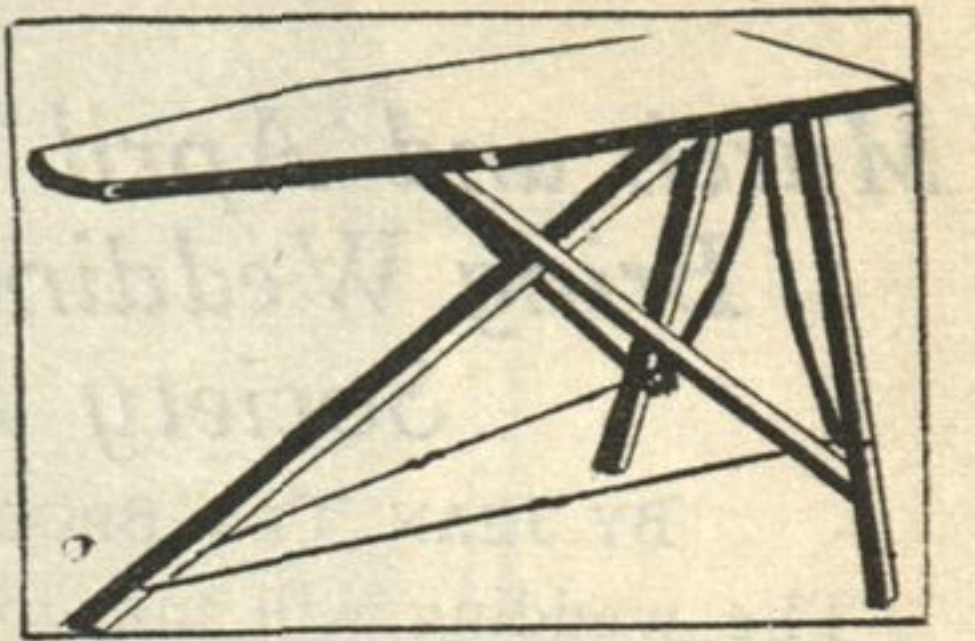

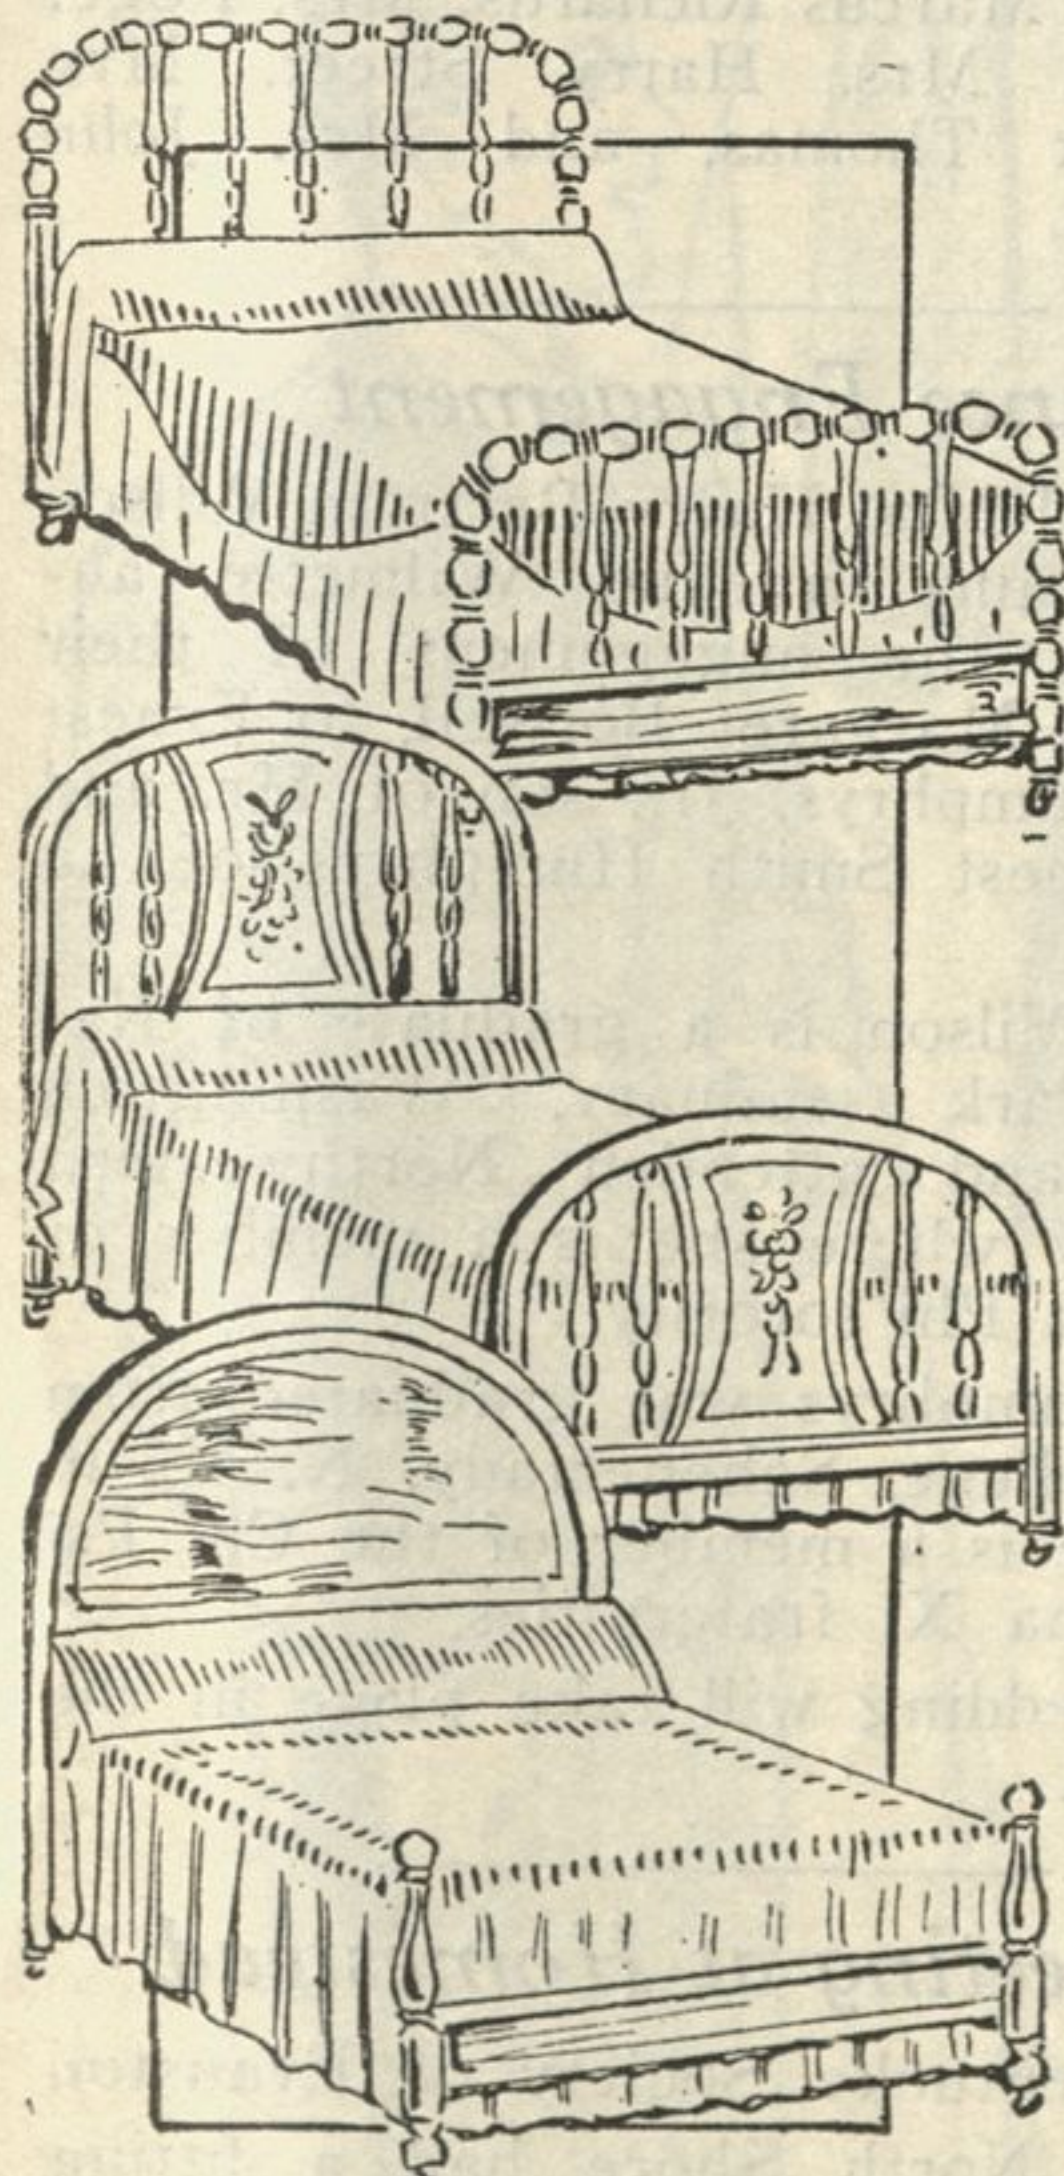

The bed must be attractive as well as useful today, and this one pictured left in soft antique green and ivory finish is particularly suited for the Colonial scheme of decoration.
