

N. T. TRACKMEN WIN QUADRANGULAR MEET

Seniors Capture Hard-Fought Encounter With Proviso, Morton and La Grange

New Trier's Senior trackmen won a hard fought quadrangular meet at Patten gym, Evanston, last Saturday, with 42½ points. Proviso was second with 32½ points, Morton copped 29 and La Grange trailed in with 16 points.

Cassell breezed in ahead of the rest to win the quarter mile run for New Trier. McHugh, Proviso's flash, pressed him hard all the way and finished right on his heels.

Steve Windes ran a great race for the Green and Gray in the mile but Hosse of La Grange was too good for him. Steve started out in the lead with his usual winning stride. Hosse passed him though on the third lap and held the lead for the rest of the race.

Hafner and O'Shaughnessy of Proviso and Baker, New Trier's star sprinter, ran the forty yard dash so closely that it would take an impartial judge to say who was first. The judges gave Hafner first place, O'Shaughnessy second and Baker third although a good many of the spectators thought Baker was second.

The way Dave Wanger ran his preliminary heat in the low hurdles promised well for New Trier. He fell in the finals though and got fourth place only because there were only four in the race. Walton won the event for Morton with Mulligan of La Grange right on his heels. Gibson got third place for New Trier.

Wanger made up for his fall in the hurdles by showing his heels to the rest of the field in the 220 yard dash. Murphy and Bukshimie had a hard fight for second place. Murphy won the place for La Grange.

Walton won the high hurdles for Morton and Jack Leach came in second for New Trier. Walton knocked a hurdle over but he beat Jack to

the tape and was not disqualified because the hurdle had not been fastened up properly.

There were fourteen runners in the half but Darhn of Proviso and "Ted" Burgess finished far ahead of the rest. "Ted" won the event for New Trier as he usually does but Darhn made him step pretty fast. Eggleston of Proviso and Simpson of La Grange fought it out for third place with the Proviso man just a step ahead.

Carl Hall was beaten in the high jump for the first time this year by Murray, a boy from Cicero. Murray cleared the bar at 5 feet nine inches.

The Green and Gray relay team won by a large margin.

Walton and Murray were high point men, each taking 2 of the 4 firsts that Morton won. Wanger and Hall won the most points for New Trier. Wanger got 7¼ and Hall 7.

The results of the Junior meet were just the reverse of the Senior meet. La Grange was first with 34 points, Proviso won 32½ points and New Trier got 20½. Morton has no Junior team.

McIntosh was high point man of the Juniors, winning 13 points for New Trier. Lietz copped 12 points for Proviso.

DeBeers ran a nice race in the 660 yard run to get third place for New Trier. Two Proviso runners, Perlis and Hill came in ahead of him.

Spiegel got second place for New Trier in the Junior high jump. Meyers jumped 5 feet 1 inch to win the event for La Grange.

5 to 25 Miles per Hour in 7¼ Seconds!
10 to 45 Miles in 13½ Seconds!

No other car in The Victory price class can approach these astonishing get-away figures! And that holds equally true of Victory speed!

There's a simple, logical answer to this spectacular performance—*unequaled power per pound of car weight.*

In other words, a new and superior kind of engine with a new and superior kind of body.

The problem of weight solved thru simplicity of design. The problem of design solved thru simplicity of parts. (No body sills—only 8 major body pieces)

High power made feasible by rugged Dodge construction and Dodge quality materials... High speed made practical by a lower gravity center and *no body overhang.* (Chassis full width of body)

This is Victory Demonstration Month. Drive the car and win one of Dodge Brothers big Demonstration Prizes. (Full details on request)
