

262 N. T. STUDENTS ON FEBRUARY HONOR ROLLS

Number of Honor and Honorable Mention Students Shows Decrease From January

Two hundred and sixty-two students at New Trier High school are listed on the Honor and Honorable Mention Rols just issued by the school offices for the first month of the second semester. The total number of students dropped by exactly 30 pupils from the total of 292 listed on the two rolls issued for the month of January. Oddly enough the decrease came mainly in the girls' division where there were 159 students listed against the 186 recorded for January. There are 103 boys for February in contrast to the 106 for January.
