

# How much of YOUR MONEY

*does the ash man cart away?*

Even if you burn the best coal money can buy, you only burn part of it. A good share is carted away by the ash man.

Chicago Solvay Coke leaves fewer ashes to handle. It is *all fuel*. There is little waste!

Finish the winter heating season with Chicago Solvay Coke. It is much cleaner than soft coal—costs much less per ton than hard coal.

Order a supply of Chicago Solvay Coke from your fuel dealer. He recommends Chicago Solvay Coke for economy, cleanliness and dependability.
