

Lee Says:

IT'S fine to dress UP for Easter and STEP out in a brand NEW suit and a new HAT and maybe a PAIR of new shoes—YOUR friends here in WINNETKA like to see YOU all dressed up THAT way. BUT how about the FRIENDS that won't GET to see you on EASTER? THE right thing to DO for them is to SEND them a nice EASTER card, and right THERE'S where we can HELP—we have EASTER cards, you know, AND they certainly are BEAUTIFUL and appropriate— IT would be fine to REMEMBER all your friends WITH Easter cards this YEAR, wouldn't it? WE think so.

Are You a Spendthrift?

You know the spendthrift . . . take him for an example. He's a gay spender, very irresponsible when it comes to money . . . spending every dollar he earns and he borrows from his friends . . . "to tide him over until payday." His motto is: "Live today, I may be dead tomorrow."

But suppose he lives to be eighty. Do you see any future for him? Wouldn't it have been better if he had saved a little of his salary each week and protected his future?
