HOLD SPRING GRID DRILL

About fifty-five candidates reported for spring football at New Trier High school according to Coach Caton, who is in charge of the two weeks' workout. Most of the boys were freshmen and sophomores who had never been on the varsity squad. The drill was mostly on fundamentals. The purpose of the practice was to get the players in condition and to discover new material for next year's varsity squad.

H. Wallace Dinsmore, formerly of Winnetka and now of Winona, Minn. was a recent guest of relatives in Chicago and on the north shore.

Mrs. Charles Sommer, 425 Provident avenue, left Thursday to spend the week-end in Milwaukee as the house guest of Mrs. Herbert Strass at a reunion of college classmates and former school friends Mrs. Strass is having at her home.

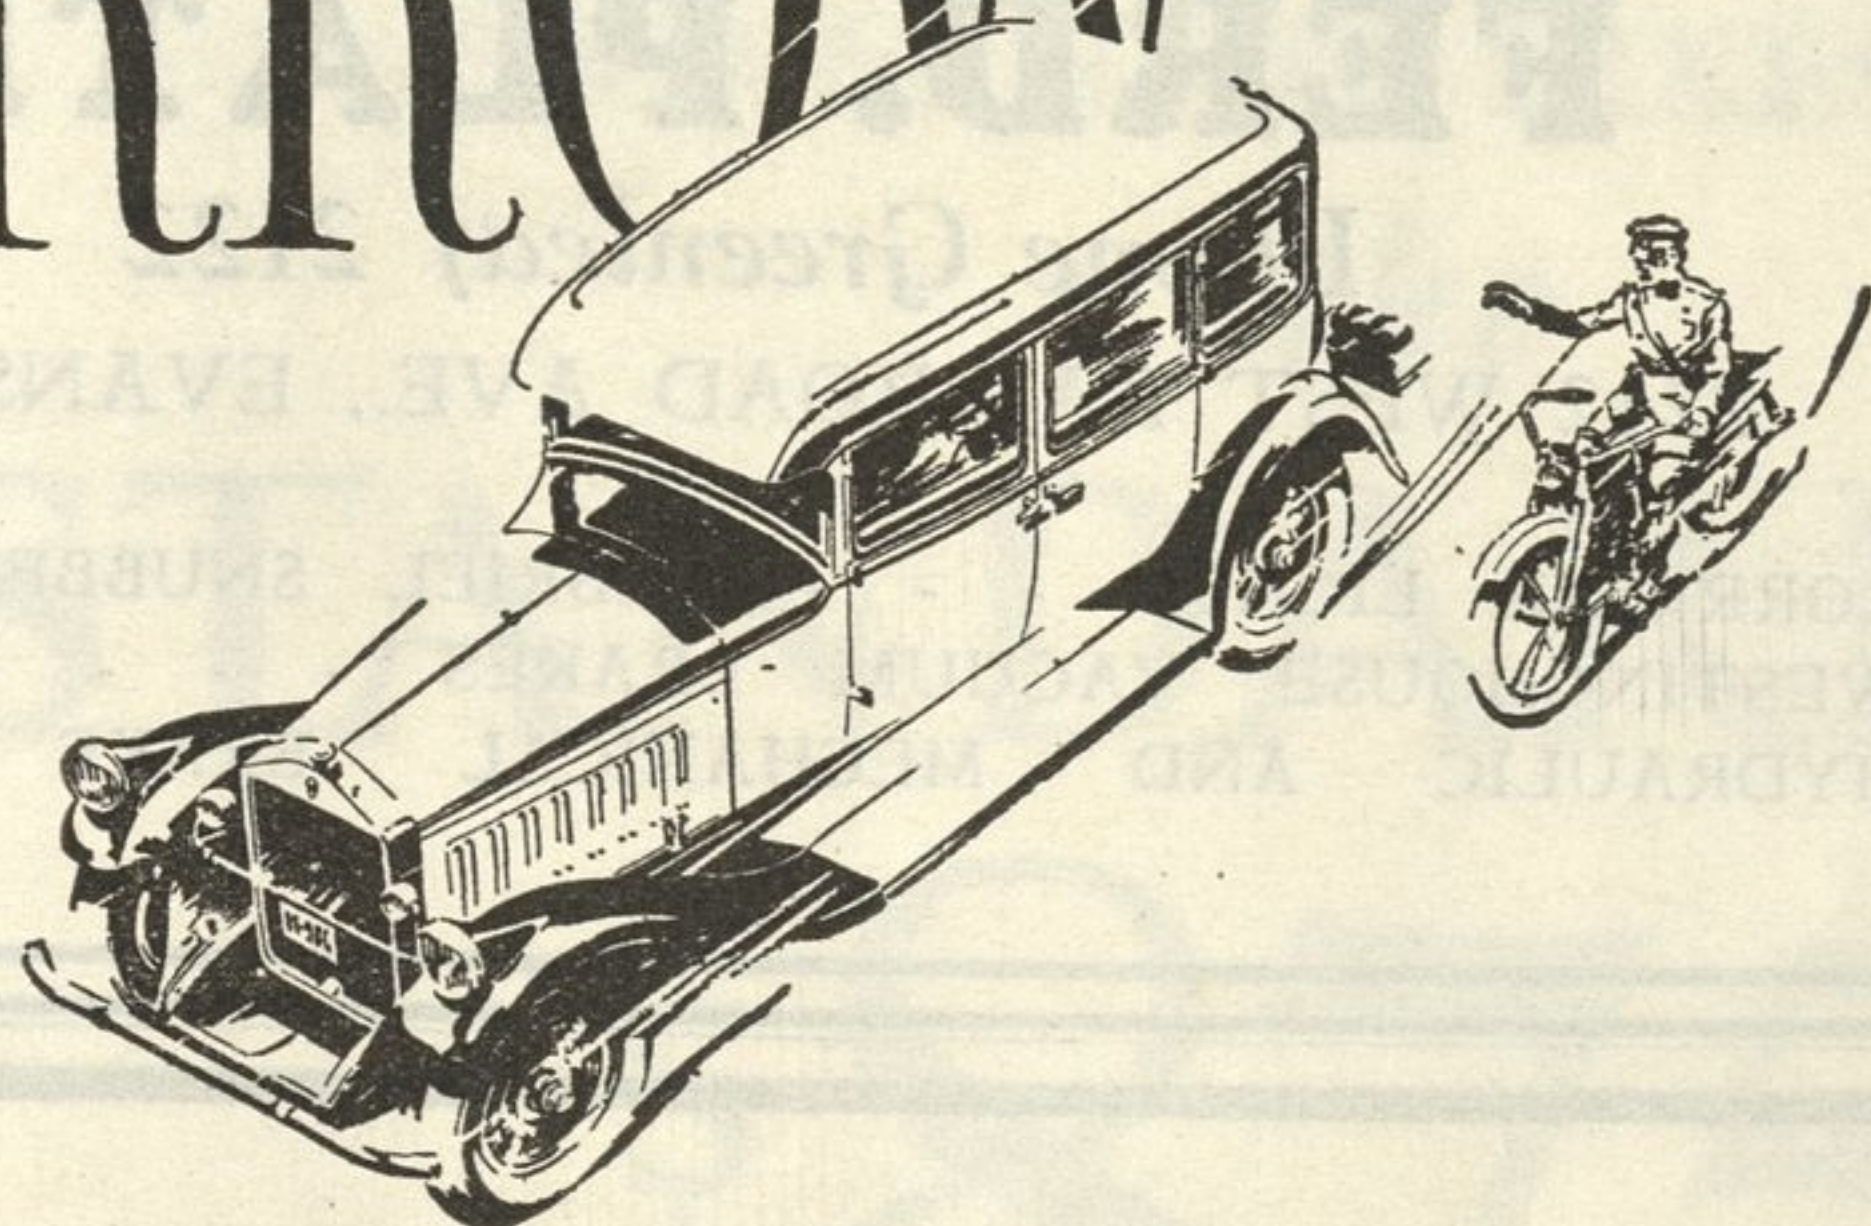

"Swede" Winberg to Captain Grid Squad at Kemper

Howard "Swede" Winberg, the best full-back in Kemper football history, according to the News, official paper of Kemper Military school, Booneville, Mo., has just been honored with the captaincy of the school's football team for 1928. Kemper's team the past year again emblazoned its name high up on the honor roll in gridiron events, the great Culver Military school team being numbered among its victims. In all of these games "Swede" Winberg played a stellar part. He is a son of Mr. and Mrs. W. W. Winberg of 905 Greenleaf avenue, Wilmette.

Winberg, who is also one of the star wrestlers at Kemper, further distinguished himself recently by mastering "Stan" Stanley, the famous contortionist and physical expert, in an exhibition at the school, testing their strength and prowess.

Stanley, following his address on physical culture, asked that six of the strongest and heaviest cadets in school apply holds on him while upon his back, after which he attempted to escape from them. He broke loose from four of them, but Winberg and Ed Thompson, another cadet, stayed with him until he admitted defeat.

PIERCE ARROW

Too many of the Pierce-Arrow sort of people think of Pierce-Arrow ownership in minimum terms of \$5000. The truth is, the new Pierce-Arrow costs little *if any* more than a majority of these people are entirely able and willing to pay.

FROM \$2900 AT BUFFALO

You may purchase a Pierce-Arrow out of income, if you prefer. A simplified financing plan makes this a most practical procedure. Your present car accepted as cash up to the full amount of its appraisal valuation.
