ROSWELL MASON
W. A. BARR

The Coldwell gasoline roller and mower has a cutting width, with attachment, of 60 inches. A good many Winnetka residents have found that they can save the cost of the machine the first season, with the added advantage of a better kept lawn.

Ask us about the new small size gasoline driven Coldwell Cub, capacity two to three acres combined rolling and mowing per day.

**"TONS OF MONEY" IS
 NEXT GUILD OFFERING**

**English Farce Comedy to Have
 First Production in America
 on North Shore**

A fast and furious farce comedy, entitled "Tons of Money" is to be the final offering of the North Shore Theater guild for the current season, in its regular tour from Lake Forest to Evanston.

Few plays in recent years have been more excruciatingly funny than this product of England's best farce writers, Will Evans and Valentine. It is a real "scoop" for the guild, since neither Chicago nor New York have had the privilege of seeing the show, which ran two and one-half years at the Shaftesbury and Aldwych theaters, London. The plot is a most ingenious fabrication of mistaken identities and dilemma, and the lines are consistently and delightfully ridiculous.

Owen Directs Rehearsals

David Owen is now rehearsing the play with an excellent comedy cast, including many local favorites. The decided difference between "Tons of Money" and the Guild's last production of an Ibsen tragedy is in keeping with the Guild's policy of variety. This year's program has consisted of two comedies, one tragedy and a mystery play. Each type of play has called for a different technique of direction, and in "Tons of Money" Mr. Owen has a chance to demonstrate what he can do with a real "knock-down and drag-out" comedy.

According to present plans, "Tons of Money" will open its run in Glencoe, at the Central school, on April 24. From thence it will go to Highland Park, then to Lake Forest, and back to Winnetka and Wilmette to continue south to Evanston.

**Represents Waltonians at
 National Parley at Omaha**

The Winnetka chapter of the Izaak Walton league will be represented at the national convention of the league to be held in Omaha, Neb., April 19-20-21, it was announced this week by George B. Massey, president of the chapter.

J. F. Comee, 1612 Forest avenue, Wilmette, will attend as delegate from the Winnetka chapter. According to Mr. Massey, the annual convention of the league is easily the most important gathering of outdoorsmen and conservationists of the year. Policies of the organization are determined and the general outdoor activities of the sportsmen of America are largely initiated or passed upon by the membership.

In conjunction with the convention is held the National Sportsmen's Show, at which manufacturers of outdoor equipment exhibit the latest offerings for the sportsman.

Miss Jeanne Culver, Miss Elizabeth Evans, Miss Anna Larner, Miss Frances Allworth of Wilmette, Miss Marjorie Oleson and Georgiana Fowler of Kenilworth, and Miss Elizabeth Eberhart of Evanston, accompanied by Mrs. W. H. Evans of Wilmette, spent Wednesday and Thursday at the Dunes in Indiana.

Miss Elizabeth Richards, daughter of Rev. and Mrs. James Austin Richards, 739 Lincoln avenue, will not return home from Wellesley college to spend her spring vacation. She will visit her uncle and aunt, Dr. and Mrs. N. B. Van Etten, of New York city, instead of returning home.
