Seeks Assembly Seat

Urging his experience in two sessions of the legislature and his success in obtaining important legislation, Lewis B. Springer of Wilmette, Republican candidate for representative in the General Assembly, is closing his campaign with a final tour of the Seventh Senatorial district.

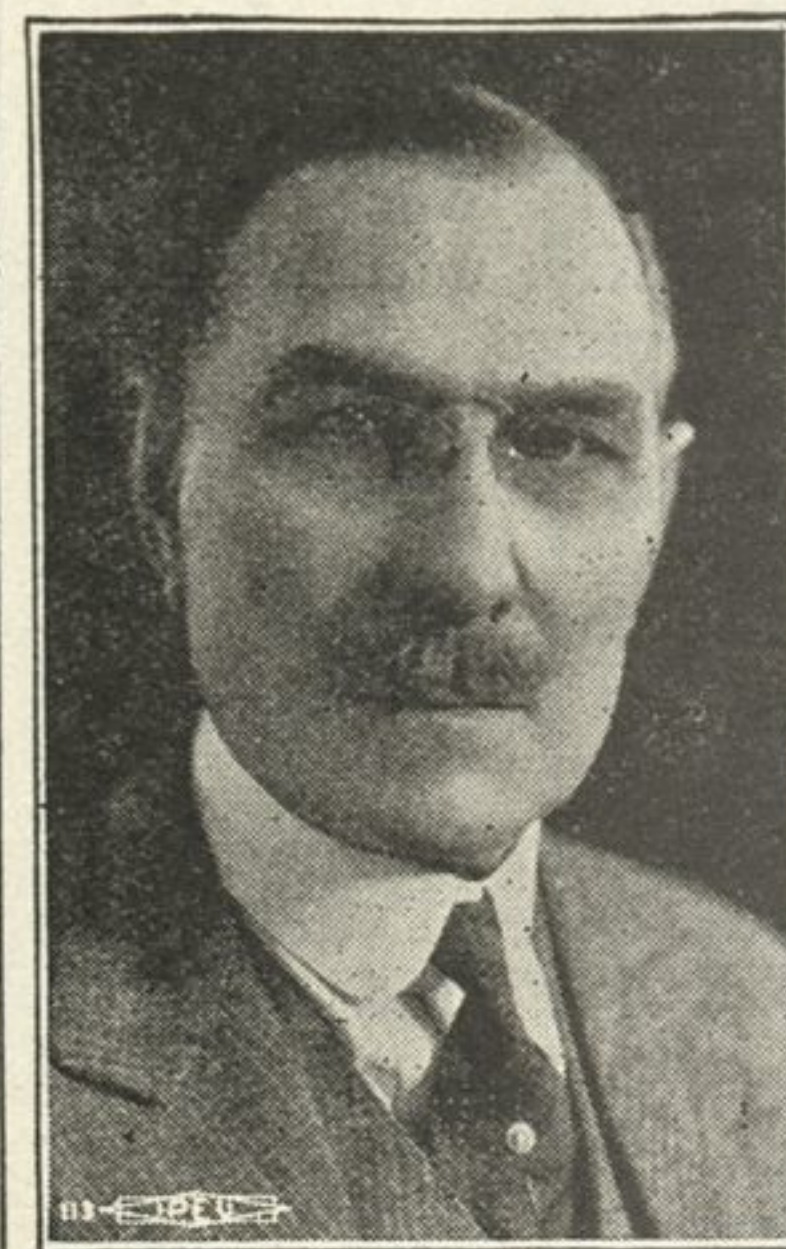

"I have visited every section of the district," he said today, "and everywhere I have been received most cordially. The indications all point to my nomination, but I want to urge my many loyal friends to use every effort to get out as large a vote as possible."

He has been endorsed by the Legislative Voters league, which says of him:

"Lewis B. Springer formerly served two terms in the house, during which he was successful in getting some important legislation; was an active member who gave close attention to business and made a record of decided usefulness.

**Norlin, County Surveyor,
Candidate for New Term**

Friends of Fred Norlin, member of the firm of Greeley-Howard-Norlin company, surveyors and engineers of Chicago predict his re-nomination by a decided majority for a new term as county surveyor.

Fred Norlin

Mr. Norlin is well known for his work, both in Chicago and on the north shore. His record during his previous term has won for him much praise from many quarters. He instituted a complete system of records, so fully indexed that information was made available to many who found the material more useful by its accessibility.

A resident of Chicago for forty-seven years, engaged in the surveying profession for the past forty-three years, and an officer of a firm which has been established in Chicago for seventy-four years, Mr. Norlin's qualifications are pointed out as such that his re-nomination will add strength to the affiliated ticket. Mr. Norlin received a comfortable majority in 1924.

Priscilla Guthrie is spending her Easter vacation with relatives in the East. This week she has been visiting her cousins, the Frederic C. Walcotts, of New York, at their country place in Norfolk, Conn. Next week she will spend in New York before returning to Dwight school in Englewood, N. J. She is the daughter of Mr. and Mrs. John B. Guthrie of 730 Walden road.

Mrs. Frank Kubicek returned to her home at 916 Cherry street last week from Grant hospital, where she underwent an operation.
