

**“Goodbye, take care of yourself, and have a good time”**

The train moves out of the shed. It is gone. You turn back through the throngs—alone. Back to the business that shackles you, back to money making, for there’s no one you can depend on to carry on your affairs and allow you to go.

At least that is what you *think*, although it is not so.

The Trust Department of this bank is eminently fitted to successfully carry on your business and give you the joy of going when you will and staying as long as you desire.

Mr. Tomlinson or Mr. Potter will be glad to explain how they can help you.
