

The Fashion Show at New Trier High

Sponsored by the Home Economics department of which Mrs. Jane Lighter is head, the style show at New Trier High school proved an interesting event. Herewith is presented a picture of three of the models showing early spring costumes. The models, Miss Eloise Kreese, Miss Alyce Eckland and Miss Therese Toothill, however, are not students. THE MOCCASIN

—it's lined!

HERE'S the new Pool & Piper Moccasin Shoe of Smoked Elk—in high and low styles—for your boy or girl to wear this spring.

You'll find this improved type of Moccasin exclusively at this store. It is made especially for us according to our own specifications—therefore you know it's comfortable, good looking, well made and long-wearing!

And it's lined! That makes it different. More comfortable. Better fitting. More sanitary. It took a long time to find a manufacturer who would "take the trouble" to give us what we wanted—a lined moccasin. But here it is—just in time for spring wear!
