

**First Scandinavian Ev. N. U. CIRCUS COMING**

886 Elm street, Winnetka  
Roy A. Thompson, Pastor  
809 Chestnut court (Winn. 2304)

Sunday, April 8

10:00 Sunday school, Easter program.  
5:00 Young People's meeting. Easter message by the Rev. Clarence A. Nelson of Evanston.  
7:45 "The Living Christ." Easter sermon by the pastor.

Thursday, April 12

8:00 Mid-week service.

"Why seek ye the living among the dead? He is not here, but is risen" (Luke 24: 5-6).

**Automobile Show to Be Feature of Annual Carnival on Campus**

An automobile show will be a feature of the 1928 Northwestern University circus. Twenty dealers in Evanston and the north shore have already taken space for the showing of their new spring models. The auto show may become an annual affair.

The scandal sheet of the Circus, the Barker, will appear on the campus two days before the opening date. This year the publishing of the Barker

has been taken over by Sigma Delta Chi, professional journalistic fraternity. The Barker will appear as a parody or take-off on a well known Chicago daily.

More stunts have been turned in this year than ever before, as seventeen sororities and fifteen fraternities have submitted manuscripts. The Circus Board will award the center ring to the best stunts and the outside rings to the second and third best in each act. The ring positions will be announced next week.

Plans for the usual three mile parade are under way and ideas for floats are now being accepted from campus organizations. These plans are all submitted to the Parade committee and unless the plan is worthy of a float in the parade the organization submitting that plan will be refused the privilege of having a position in the parade.

**To Broadcast Afternoon Music Hour Over WMAQ**

Fay Palmer Kreer of Winnetka, assisted by Dorothy Riley Brown of Kenilworth, sang a miscellaneous program at the Evanston Drama league meeting Thursday afternoon at the Evanston Woman's club. On Friday afternoon she sang at the studio in the Fine Arts building, for the Chicago Federation of Woman's clubs. She was assisted in this program, also, by Mrs. Brown.

From 2 to 3 o'clock every afternoon next week, Mrs. Kreer and Mrs. Brown will give a program at Lyon and Healy hall. These programs will be broadcast over WMAQ. One unique feature of the week's series will be a group of duets arranged by Mrs. Brown and sung by both. These are old folk tunes from Germany, France, Italy, Spain, and England, and are sung in the language of their country.

**Tells N. U. Alumnae of Forest Preserve Acreage**

That acreage which almost fulfills the amount designated in the original forest plan has been acquired by Cook county, was the statement of Gen. Abel Davis in his talk on the "Modern City" Friday evening before the associate alumnae of Northwestern university, their husbands and friends, at a dinner given at Le Petit Gourmet, Chicago, by the Alumnae association.

By a map of the Cook county preserve, Gen. Davis showed that there is now almost a continuous line of forest land from the Wisconsin to the Indiana line. The greater part of this preserve follows the Des Plaines river.

Recent plans call for the damming of the stream so as to create artificial lakes suitable for boating and other recreational purposes for the people who live to the west of the Des Plaines, as there are no other pleasure grounds in that district.

The original plan of making automobile roads throughout the preserve has given way to one for leaving a part of the forest inaccessible excepting by quiet little foot paths, and in land which will be left in its natural state, wild plant and animal life may exist.

In a spirit of working for the common good, commissioners of Cook county are being assisted at the state boundaries by co-operation of officials of Wisconsin and Indiana. The latter state is working with Illinois for the preservation of the duneland, General Davis announced.

General Davis is a member of the Forest preserve advisory committee.

Herbert Hurd, son of Mr. and Mrs. N. L. Hurd, 518 Sunset road, will return to the University of Illinois at Champaign, on Tuesday, April 10, after spending a vacation of a week at his home.

# PIERCE

Recently, a number of people were asked the price of a Pierce-Arrow. Forty-two per cent said, "Over \$5000." Perhaps this same false notion is depriving you of Pierce-Arrow ownership—a much-coveted joy that is really within easy reach.

FROM \$2900 AT BUFFALO

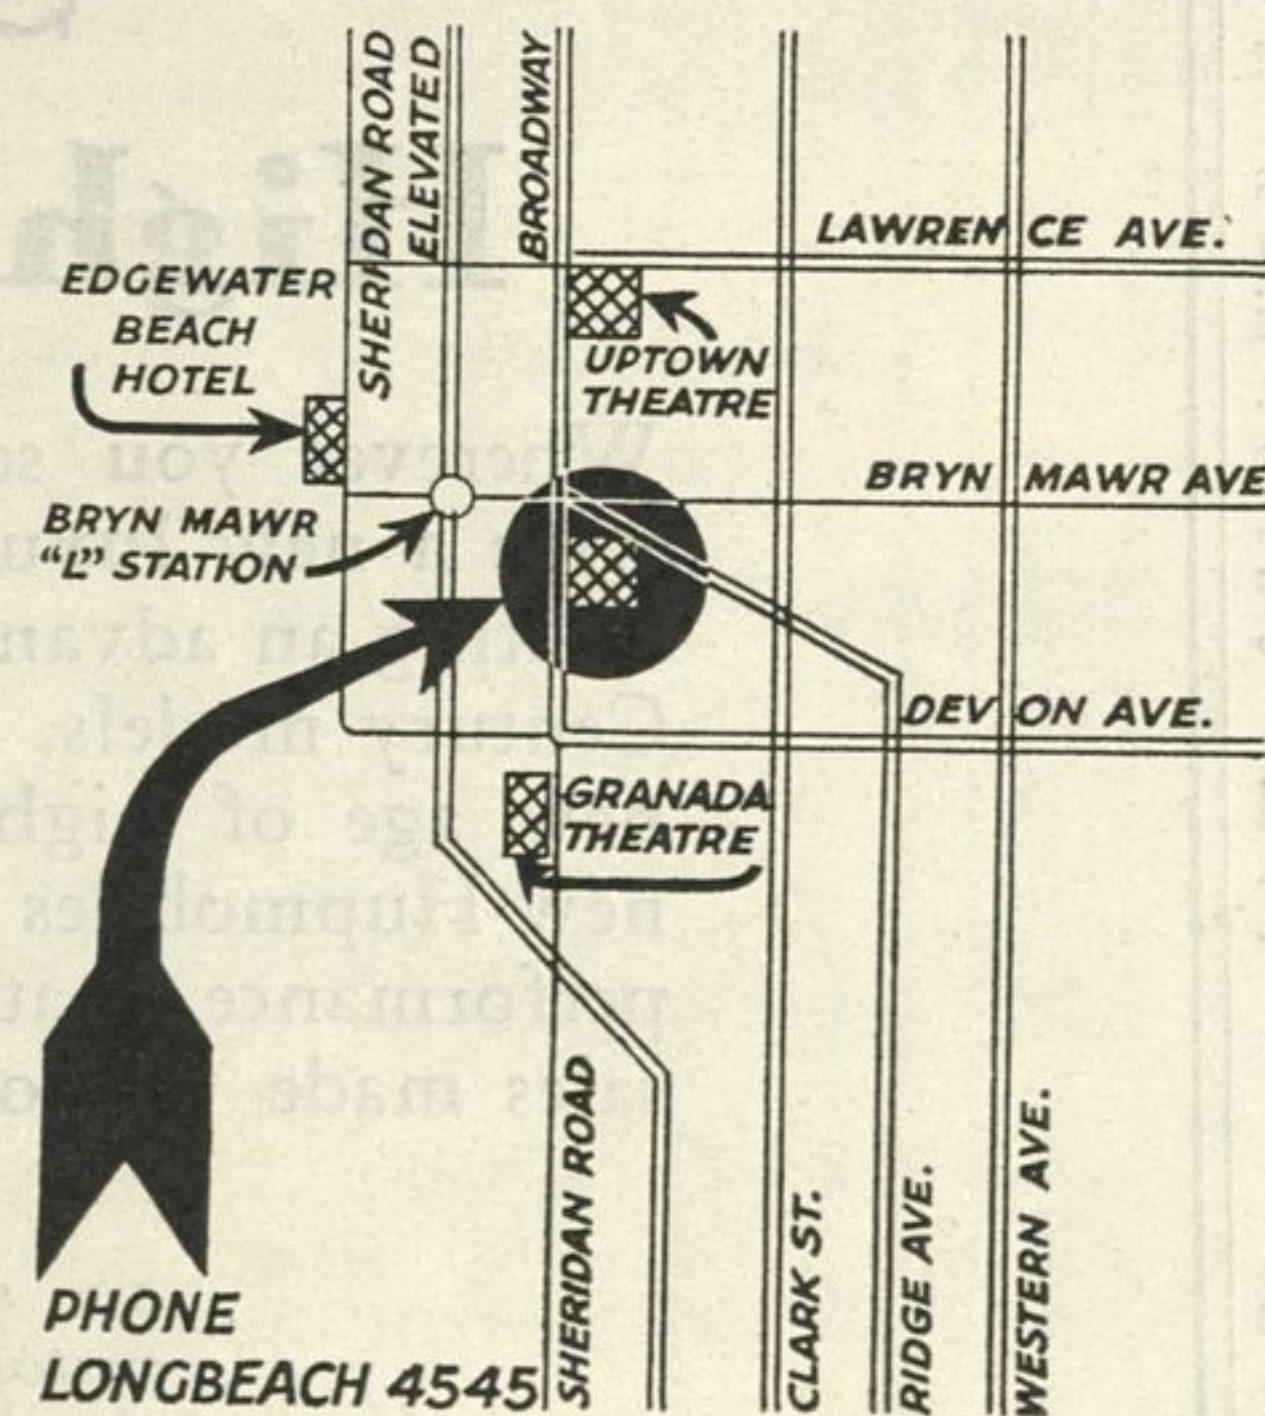

You may purchase a Pierce-Arrow out of income, if you prefer. A simplified financing plan makes this a most practical procedure. Your present car accepted as cash up to the full amount of its appraisal valuation.
