

## CONDUCT FUNERAL RITES FOR DR. SANGER BROWN

**Noted Alienist and Head of Kenilworth Sanitarium Dies at Age of 76 Years**

Funeral services for Dr. Sanger M. Brown, head of the Kenilworth sanitarium and noted throughout the United States as an alienist of distinction, who passed away at the Presbyterian hospital last Sunday following an operation, were held Tuesday from the Graceland cemetery chapel. Burial was at Graceland cemetery.

Dr. Brown was born in Bloomfield, Ontario, Canada, on February 16, 1852, and spent the early part of his life on a farm near that city. He was graduated from Bellevue Medical college in New York in 1880 and spent his early years as a physician in New York state where he was identified with many public hospitals. He was at one time superintendent of the Massachusetts State hospital for the Insane and the Bloomingdale asylum in New York.

With Prof. E. A. Schaefer, Dr. Brown conducted a series of early vivisection experiments on monkeys in 1886-87 at the University College of London. He was at that time associated with the University of Illinois. From 1892 to 1897 he was professor of medical jurisprudence and hygiene at Rush Medical college, a branch of the University of Chicago. Later he became professor of clinical neurology at the same institution.

Dr. Brown came to the north shore about twenty-three years ago, founding the Kenilworth Sanitarium. Dr. Brown was active in numerous civic enterprises of the north shore and Chicago. He was a subscriber to the Chicago Opera company from the year of its organization, an active supporter of the Ravinia Opera and a life member of the Chicago Art institute. He was a member of the Indian Hill Golf club, the Union League club of Chicago and the Chicago Athletic association.

He is survived by his wife, Mrs. Bella Christie Brown, to whom he was married July 9, 1885, and one son, Christie Brown.

### TO HAVE SUNRISE PRAYER

Charles T. Moon, 838 Lincoln avenue, addressed the Young People's group of the Congregational church at its weekly meeting Sunday evening, April 1. He spoke on the subject, "What Is Vital to Me in My Religion," and spoke of the influence which his early life and college life had on his religion. The meeting on Easter Sunday will be a sunrise prayer meeting, to be held on George Massey's beach.

## St. John's Lutheran

Wilmette and Park avenues, Wilmette  
Herman W. Meyer, M. A., pastor  
406 Prairie avenue, telephone 1396  
Church telephone 3111

### RECEIVES GIFT FOR MUSIC

Robert Heyda of Winnetka was presented with a gift at a special assembly last week of the Experimental college at Wisconsin university, for work he did for the second Greek play, presented recently at the college. The music had a very important part in the play, and six of Robert's compositions were accepted for use in it. He returned home Tuesday afternoon to have a week of vacation with his parents, Mr. and Mrs. C. J. Heyda of 1139 Asbury avenue.

Building Eskimo kayaks, row boats, and sail boats in the camp shop; cruising among the islands in Green Bay, camping and exploration trips on the mainland; building cabins, shacks and tree houses in the woods; horse back riding along the miles of forest trails; swimming and diving; nature hikes, woodcraft, camp music, and pageantry are some of the activities of this unique camp.

Adventure Island is limited to forty boys, seven to fourteen. Seventh season. Trained counsellors, one to each four boys. Nine hours' drive from Chicago.

*First at the get-away  
First on the straight-away*

No car in the Victory price class can match the all around brilliance of Victory performance.

The Victory is first at the get-away and first on the straight-away—faster on the hills, faster in traffic—smoother on rough roads.

And accelerates as no other car at the price has EVER done: 5 to 25 miles in 7¼ seconds! 10 to 45 miles in 13½ seconds!

The public discovered all this even as the stop watch proved it.

More power per pound of car weight made it possible. Rugged Dodge construction made it practical. And the Victory's unusual design made it SAFE.

For the Victory gravity center is lower and there is no body overhang.... The chassis frame is the full width of the body—and the body sills are eliminated.

Exceptional charm of line and more headroom and seat width are further vital results of this unique construction.

Drive the car today and make your own comparisons!
