

## ASSURED PROTECTION FOR THE REAL ESTATE BUYER

**T**HE North Shore Real Estate Board selects its members with extreme care. Before granting a real estate broker or salesman the right to use the term REALTOR, the antecedents of every applicant are thoroughly investigated.

An applicant must expect to undergo a rigid scrutiny by our membership committee before his name can be presented to the total membership who, acting as a committee of the whole, will pass on his integrity and general desirability.

The first object of the North Shore Real Estate Board is to enforce ethical practice among its members and to promote and encourage a reputation for fair dealing in this most fundamental profession.

The care with which we select our members constitutes assured protection for the buyer of real estate.
