

CALM AT NORTHFIELD

With Only One Ticket in the Field, Annual Village Election Tuesday Creates Little Interest

The annual Village election at Northfield, which will be held Tuesday, April 17, promises, with only one ticket in the field, to be a very quiet affair.

There are three trustees to be elected, two of whom are present members of the board and up for re-election. They are John Effelandt and Fred Haut.

Trustee John Seul's term also expires this spring and as he is not a candidate for re-election, Howard Higgins has been nominated to fill his place.

The long talked of Village hall in Northfield has not yet developed into a reality, although it is said another year may witness an improvement of this nature.

Northfield, from a commercial point of view, has been expanding rapidly, much of the area along both the Chicago & North Western and the North Shore Skokie Valley line tracks being now occupied with industrial plants and yards of various kinds.

Some building has started on the west side, and this part of the development of the new village will, it is predicted, be given added impetus with the culmination of plans which are now in the making, in the way of obtaining an adequate water supply, and a complete sewerage system.

New Trier Grad Wins Honors at Dartmouth

Leonard S. Schmitz, a New Trier graduate in 1926, has returned to Dartmouth college, Hanover, N. H., from his Easter vacation. He was recently announced as assistant winter sports manager for the coming year. This automatically leads in the senior year to manager of winter sports teams and membership on the directing council of the Dartmouth Outing club. He made his letter in soccer last fall and is on the Lacrosse squad. He served on the Carnival Ball committee this year, and is a member of the Cabin and Trail, the Leyard Canoe club, and Beta Theta Pi fraternity.

Mr. Schmitz is the son of Dr. and Mrs. M. L. Schmitz, who will move back this month into their home at 129 Euclid avenue, Glencoe. For the past two years they have lived in Evanston.
