Estelle Swigart Presents Program at Church Sunday

Miss Estelle Swigart, 1037 Ashland avenue, Wilmette, who is a talented cellist and student at Lake Forest college, will be the soloist in a request program to be given at the Waukegan Baptist church Sunday evening, April 15. Miss Frances Anderson of Winnetka will be the accompanist. Miss Swigart and Miss Anderson, together with George Swigart, violinist, comprise the Swigart Trio, which has gained popularity with radio audiences in this vicinity. All are graduates of New Trier High school.

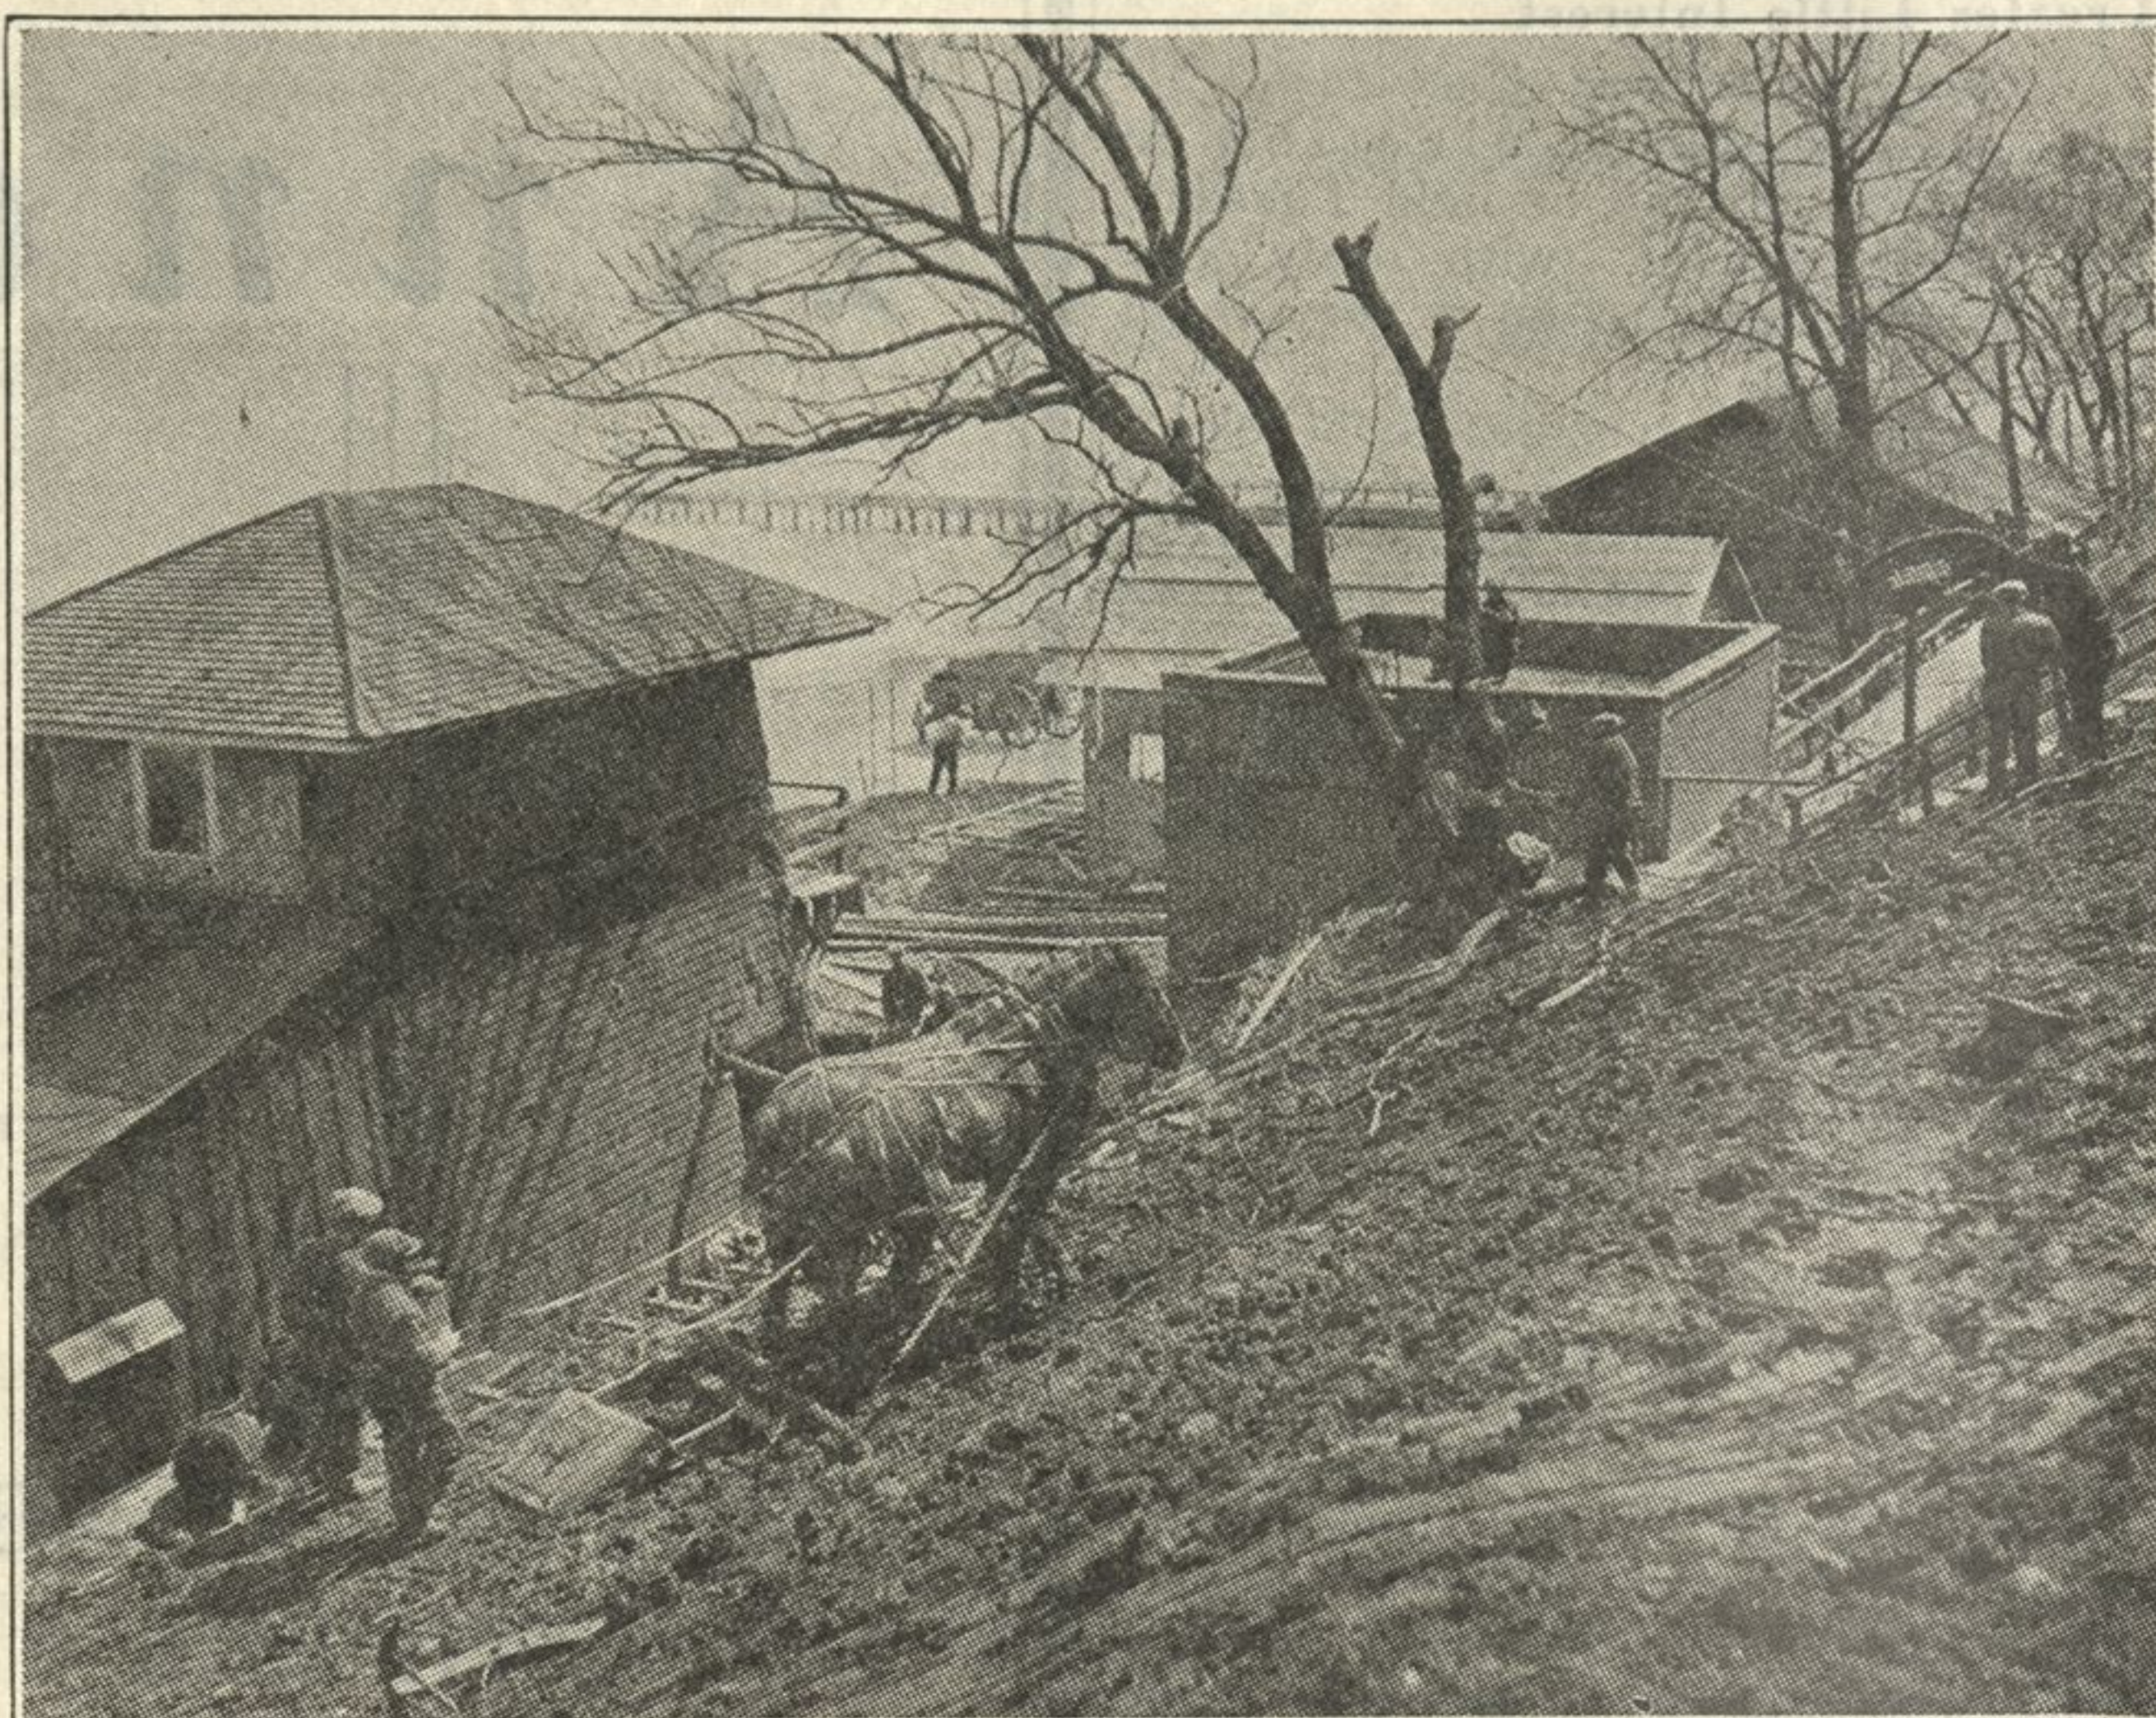

We carry Johnson's
Paste, Powdered and
Liquid Wax but
recommend the latter,
because It cleans
as it polishes, is quicker
to apply and easier to
polish.

Phone for the half
gallon size for your next
floor treatment.

Excavating for Kenilworth Water Plant

(Photo by Lehle)

Work was begun last week on the excavation of the bluff at the lake shore in preparation for the erection of Kenilworth's new water plant. The above photograph, snapped early this week after operations had been in progress a short time, offers a striking view of the start of actual construction work on what is to be one of the best municipal water plants in the Chicago area.

The difficulties to be encountered are brought out clearly. The building in the foreground is the old plant, around which the new structure must be erected so as not to interfere with the service now being rendered. Following the construction of the new building, sufficient machinery must be set up to handle the supplying of water to the Village, before the old structure and equipment can be demolished.

FOR THE BETTER FRUITS AND VEGETABLES

We have gathered together here at your doorstep the choicest of quality foods from the far corners of the earth. Foods famed for their flavor, known everywhere for their quality. A variety not found in the ordinary fruit and vegetable store and all most reasonably priced, to assist you in providing the choicest of edibles.
