## ADVENTURE ISLANDERS HOLD REUNION TODAY

Mothers and Fathers of Campers to Join in Jollification at Community House

The big day has at last arrived for all Adventure Islanders. This afternoon the annual reunion opens at Winnetka Community House at 4:30 o'clock.

This year a larger number of the "pioneers" of the island will be present than at any former gathering. Dave DeLay, Tony Humphreys, Jim Kerr, Jim Fleming, Bill Hughes, John Jewell, Webbie Jackson, Bud Jewell, Bob Lakemacher and many others of the first camp will be on hand to tell the new youngsters of the good old days when camps were real camps.

An innovation this year is the inviting of mothers and fathers to share the good times with the boys. The afternoon will start with games, stunts and initiations, after which Charles A. Kinney, known to the boys as the "Skipper" will tell them about a new type of boat built by himself and a group of boys down South this winter.

The craft is a modification of the Eskimo Kyack, and is an ideal boat for cruising, being very light, easy to paddle, exceptionally seaworthy, and best of all from the boys' point of view, easily constructed.

During the winter Mr. Kinney took a group of thirteen boys on a cruise in these boats. One of the craft will be on display at the reunion. It is planned that each boy at camp may make one for himself during the summer.

The camp dinner will be served at 6:30 o'clock, to be followed by camp songs and the camp movies.

Rev. Henry S. Gatley, Episcopal rector at Appleton, Wis., one of the camp staff, will act as toastmaster.

## Florence McGuire Sets April 28 for Wedding

The wedding will be a home affair, at 8 o'clock in the evening, and will be attended only by relatives and a few friends.

Several parties have been planned in Miss McGuire's honor. Mrs. E. P. Clark of 526 Sunset road gave a luncheon and bridge party yesterday. On April 20, Mrs. W. J. McGuire of 1020 Bluff street, Glencoe, will have a luncheon and bridge party and shower. Mrs. S. E. Leeman of 1004 Lake avenue, Wilmette, is to give a luncheon and bridge on April 23.

# Beware the MOTHS!

**SPOTS  
attract  
MOTHS**

Moths just dote on grime and dust and grease. They feast on clothes that have gone through a season's wear, then placed in a closet unprotected. Those costly things—such as fine frocks and expensive suits—are attacked with vengeance—unfit for further service.

Why not send your garments to us before storing them and have them cleaned immaculately by our scientific "New Process Cleaning" ready to wear at a moment's notice?
