### Schools Closed Monday, Teachers Attend Meeting

The Wilmette, Kenilworth, Winnetka and Glencoe public schools and New Trier High school will be closed next Monday in order that the teachers may attend the annual meeting of the Lake Shore Division of the Illinois State Teachers' association which will be held in Waukegan.

Almost every teacher of the north shore will attend. Two general sessions will be held during the day. The rest of the meeting will be sectional and will include separate sections for teachers of the various departments, such as music and art. A separate meeting will be held for Parent-Teacher representatives.

### SCOUTMASTERS' ROUND-TABLE

The Scoutmasters' Round-Table for the North Shore Area Scout council will be held at the Green Tea Pot in Highland Park on Monday, April 16.

### Two Winnetka Boys on Purple Baseball Nine

When Northwestern university sent its baseball team South on its spring training trip, two Winnetka boys were included on the roster.

William Carey, who has been the first string catcher on the Winnetka amateur nine for several years, went for the second time. Last year Bill was a substitute, but this year it appears he will be a regular. Accompanying Bill was James Miller, in reality a Chicago boy, but a regular on the Winnetka team last year. He plays second base and is expected to start the season at the keystone sack for Northwestern.

A joint meeting of all of the troops of the North Shore Area council will be held at the Glencoe Union church on Tuesday, April 27. This will take the form of a Camp Reunion.

### Winnetka Boy Scouts to Have Own Cabin in Woods

The Winnetka Boy Scouts are eagerly awaiting the time when they will have their own cabin. At present they are using the North Shore Area Scout cabin which is the property of the Forest Preserve.

Some time ago the Winnetka Izaak Walton league chapter promised some land upon which the Scouts could erect a cabin, but some delay has been occasioned in acquiring title to the tract.

The Waltonians, in co-operation with the Winnetka Rotary club and several other organizations, have raised a fund for this purpose.

It is planned to have the Scouts erect the cabin themselves as a part of their Scout work toward Pioneering Merit badges. They hope to finish the cabin this spring.

## Taxes Need Not Be a Burden

You can plan for your tax expenditure of next year without unnecessary penalty to your current expenses, if you now put aside a stipulated amount each week such as you do in the Christmas Savings Club with which you are familiar.

What were your taxes this year? Pro-rate them and you'll never miss the small deposits . . . and when taxes are due again next year you'll be prepared to pay them immediately without cause to worry about other bills going unpaid.
