Garden Club Opens Its Season With Luncheon

The Kenilworth Garden club opened its season for 1928 with a luncheon at the home of Mrs. E. D. Snyder on Thursday of this week. The club welcomed the return of its president, Mrs. S. D. Flood, who has been in Europe for several months. A number of the members of the Kenilworth Garden club are leaving the last of April for Cincinnati, to attend the meetings of the Garden Club of America.

Mrs. Gilbert Kelly will take Mrs. Flood's place as representative of the president of the Kenilworth Garden club and Mrs. Sidney Ball will act as her alternate. The club is allowed ten percent of its membership to go as members to the convention.

LECTURES ON LANDSCAPING

At the last meeting of the Home and Garden club at the home of Mrs. Joseph White on Sheridan road, Kenilworth, Kenneth Bangs gave a very excellent talk with many practical and useful hints on "Landscape Gardening." The next meeting will be Monday at the home of Mrs. W. W. Wheelock on Oxford road.

Rudolph Ingerle Art Exhibit Wins Widespread Praise

The Rudolph Ingerle one-man exhibit, which closed last week at the Winnetka Community House, attracted a great deal of attention among members of the North Shore Art league and other lovers of art.

One of the outstanding features of the exhibit was the large number of pictures shown. More than fifty of Mr. Ingerle's paintings and sketches were hung in Matz hall, an unusual number for one man. The paintings were notable for their gorgeous colorings, exquisite detail, and beautiful workmanship. Among the most interesting were Kentucky Haze, Moonlight, Approaching Storm, Moonlight in Carolina, Pisgah, October Five O'clock, Twilight on Nantachalla, Sentinels, and The Beach. Of the smaller pictures, "Dawn" and "Hazy Sun" stand out for their lovely, soft coloring, giving almost the effect of water color. "Dream City" is striking in composition and detail.
