Christian Science Churches

"Are Sin, Disease, and Death Real?" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, April 8.

The Golden Text was from Psalms 19-8, "The statutes of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes."

Among the citations which comprised the lesson-sermon was the following from the Bible: "When he was come down from the mountain, great multitudes followed him. And, behold, there came a leper and worshipped him, saying, Lord, if thou wilt, thou canst make me clean. And Jesus put forth his hand, and touched him, saying, I will; be thou clean; And immediately his leprosy was cleansed" (Matthew 8:1-3).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If God heals not the sick, they are not healed, for no lesser power equals the infinite All-power; but God, Truth, Life, Love, does heal the sick through the prayer of the righteous" (p. 231).

Illinois ranks second of the states in the number of telephones.
