An Attractive and Odd Winnetka Residence

The picture shows the home of Charles Feltman, at the northwest corner of Tower Road and Greenwood avenue. The house was built by Andrew W. Paulson, who has a home just to the north of it. The Feltman home is of Holland architecture and motorists who pass that way stop to take a second look at the structure because of its odd design.

Curtis Tatham, son of Mr. and Mrs. C. C. Tatham, 349 Hawthorne lane, returned home Saturday from a visit to Omaha, Neb., where he spent his spring vacation.

Mr. and Mrs. Arthur G. Henning and family of 458 Linden street motor-ed to Ann Arbor for the holidays. They also visited friends at Battle Creek and Detroit.
