

League of Vocational Supervision to Hold Annual Card Benefit

The Vocational Supervision league is making extensive preparations for its annual card party which is scheduled to take place Thursday afternoon, April 26, at the Stevens hotel. Individual table prizes, favors, and other prizes, contributed by leading merchants, promise to make it an unusually attractive affair.

The League was founded in 1911 and is entirely dependent on private subscriptions from interested individuals and clubs throughout Chicago and its suburbs. The Winnetka Woman's club has generously contributed a whole scholarship each year since 1922. Mrs. Arthur Cushman, president of this club, Mrs. James Deming, delegate to the league, and Mrs. Edwin Brown, chairman of the committee of civics and philanthropy are active in promoting its work.

The purpose of the league is to provide financial assistance to earnest, bright children in the Chicago public schools to enable them to continue in school beyond the minimum requirements of the law. At present it is helping 114 worthy students to learn some remunerative vocation whereby they and their families may be made independent.

All the investigation of applicants and supervision of active cases is conducted by trained social workers. There is an unlimited field for the future growth of the Vocational Supervision League as every year its list of applicants increases tremendously and it is with the hope of doubling its resources to meet this urgent need that the benefit party is being launched.

Milan Lusk in Farewell Concert; to Go Abroad

Milan Lusk, internationally known violinist, has just received a cable from the Svojsik Concert Management of Prague, Czecho-Slovakia offering him a number of important European concert dates for the months of May, June and July. He has decided to accept them and will be leaving shortly for his European tour, but, before his departure, will be presented in a farewell recital on the north shore by the Delta Zeta sorority in a benefit concert at the Evans-
