"Tarija Valley" Subject of Field Museum Lecture

"Tarija Valley and the 'Bones of the Giants'" is the subject of the free illustrated lecture to be given this Saturday afternoon at Field Museum of Natural History, Chicago. Elmer S. Riggs, associate curator of paleontology at the museum, and leader of the recent Captain Marshall Field Paleontological Expedition to Argentina and Bolivia, which collected many skeletal remains of huge prehistoric animals for the museum, is the lecturer. The lecture will be given in the James Simpson theater.

LEGION CONVENTION TO BE GREATEST EVER

**San Antonio to Be Scene of Great
Demonstration When Vets
Gather in October**

The national convention of the American Legion and its Auxiliary, to be held in San Antonio, Texas, October 8 to 12, will surpass in wealth of entertainment, in interest and in notable events the great convention held by the organization in Paris last year, according to National Adjutant James F. Barton.

Barton, in San Antonio to check over plans for the convention, expressed himself as especially well pleased with the convention entertainment program.

Entertainment features include a world's championship rodeo with the biggest prize money of the year and the leading cowboy and cowgirl contenders, a decision prize fight at Fort Sam Houston with two principal contenders for the world's welterweight title, spectacular battle exercises by the Second Division, using tanks, airplanes, liquid fire and all the latest methods of warfare, the greatest air circus ever staged in America.

Other entertainment specialties will be a Broadway show, a Mexican revue with the best actors, singers and dancers from the City of Mexico, the famous City of Mexico Police band.

More than 100 Legion bands and drum corps from all parts of the United States are expected to be in attendance at the convention, according to Philip B. Stapp, general convention director. Distinguished visitors from abroad and leaders in many fields of American life will be present.

To the convention parade, always a spectacular affair with its thousands of marching men and women, the entire day of Tuesday, October 9, will be devoted, Mr. Barton decided. The marching columns will be reviewed on historic Alamo Plaza, where stands the Alamo, cradle of Texas liberty.

In addition to the convention entertainment planned at San Antonio, side trips will be conducted to various points on the border. One will cover Corpus Christi and the principal towns of the Magic Valley of the Lower Rio Grande, ending up with a Spanish celebration at Matamoros. Others will go to Nuevo Laredo and Piedras Negras, where bull fights will be staged and a Spanish fiesta held. Elaborate preparations are being made for these.

Rut Walter Destined as Northwestern Track Star

Rut Walter of Kokomo, Ind., who played a stellar game of basketball at Northwestern this year, seems destined to continue his athletic activities in still greater style as a member of the track team. He is running the quarter, 220 and 100 yard distances, and, from the showing he is already making, should be one of the outstanding quarter milers in the conference this season.

His first outdoor appearance will be at the Kansas Relays April 21. Coach Hill will also enter a number of other star performers in this meet including Bill Drogmueller, pole vaulter, Linar Hermansen, sprinter, and Paul Gorby, half miler.

Al Bagge, Doc Achers and Frank Sinkler will handle the shotput in the outdoor meets, while Justin Dart and Henry Anderson will toss the hammer.

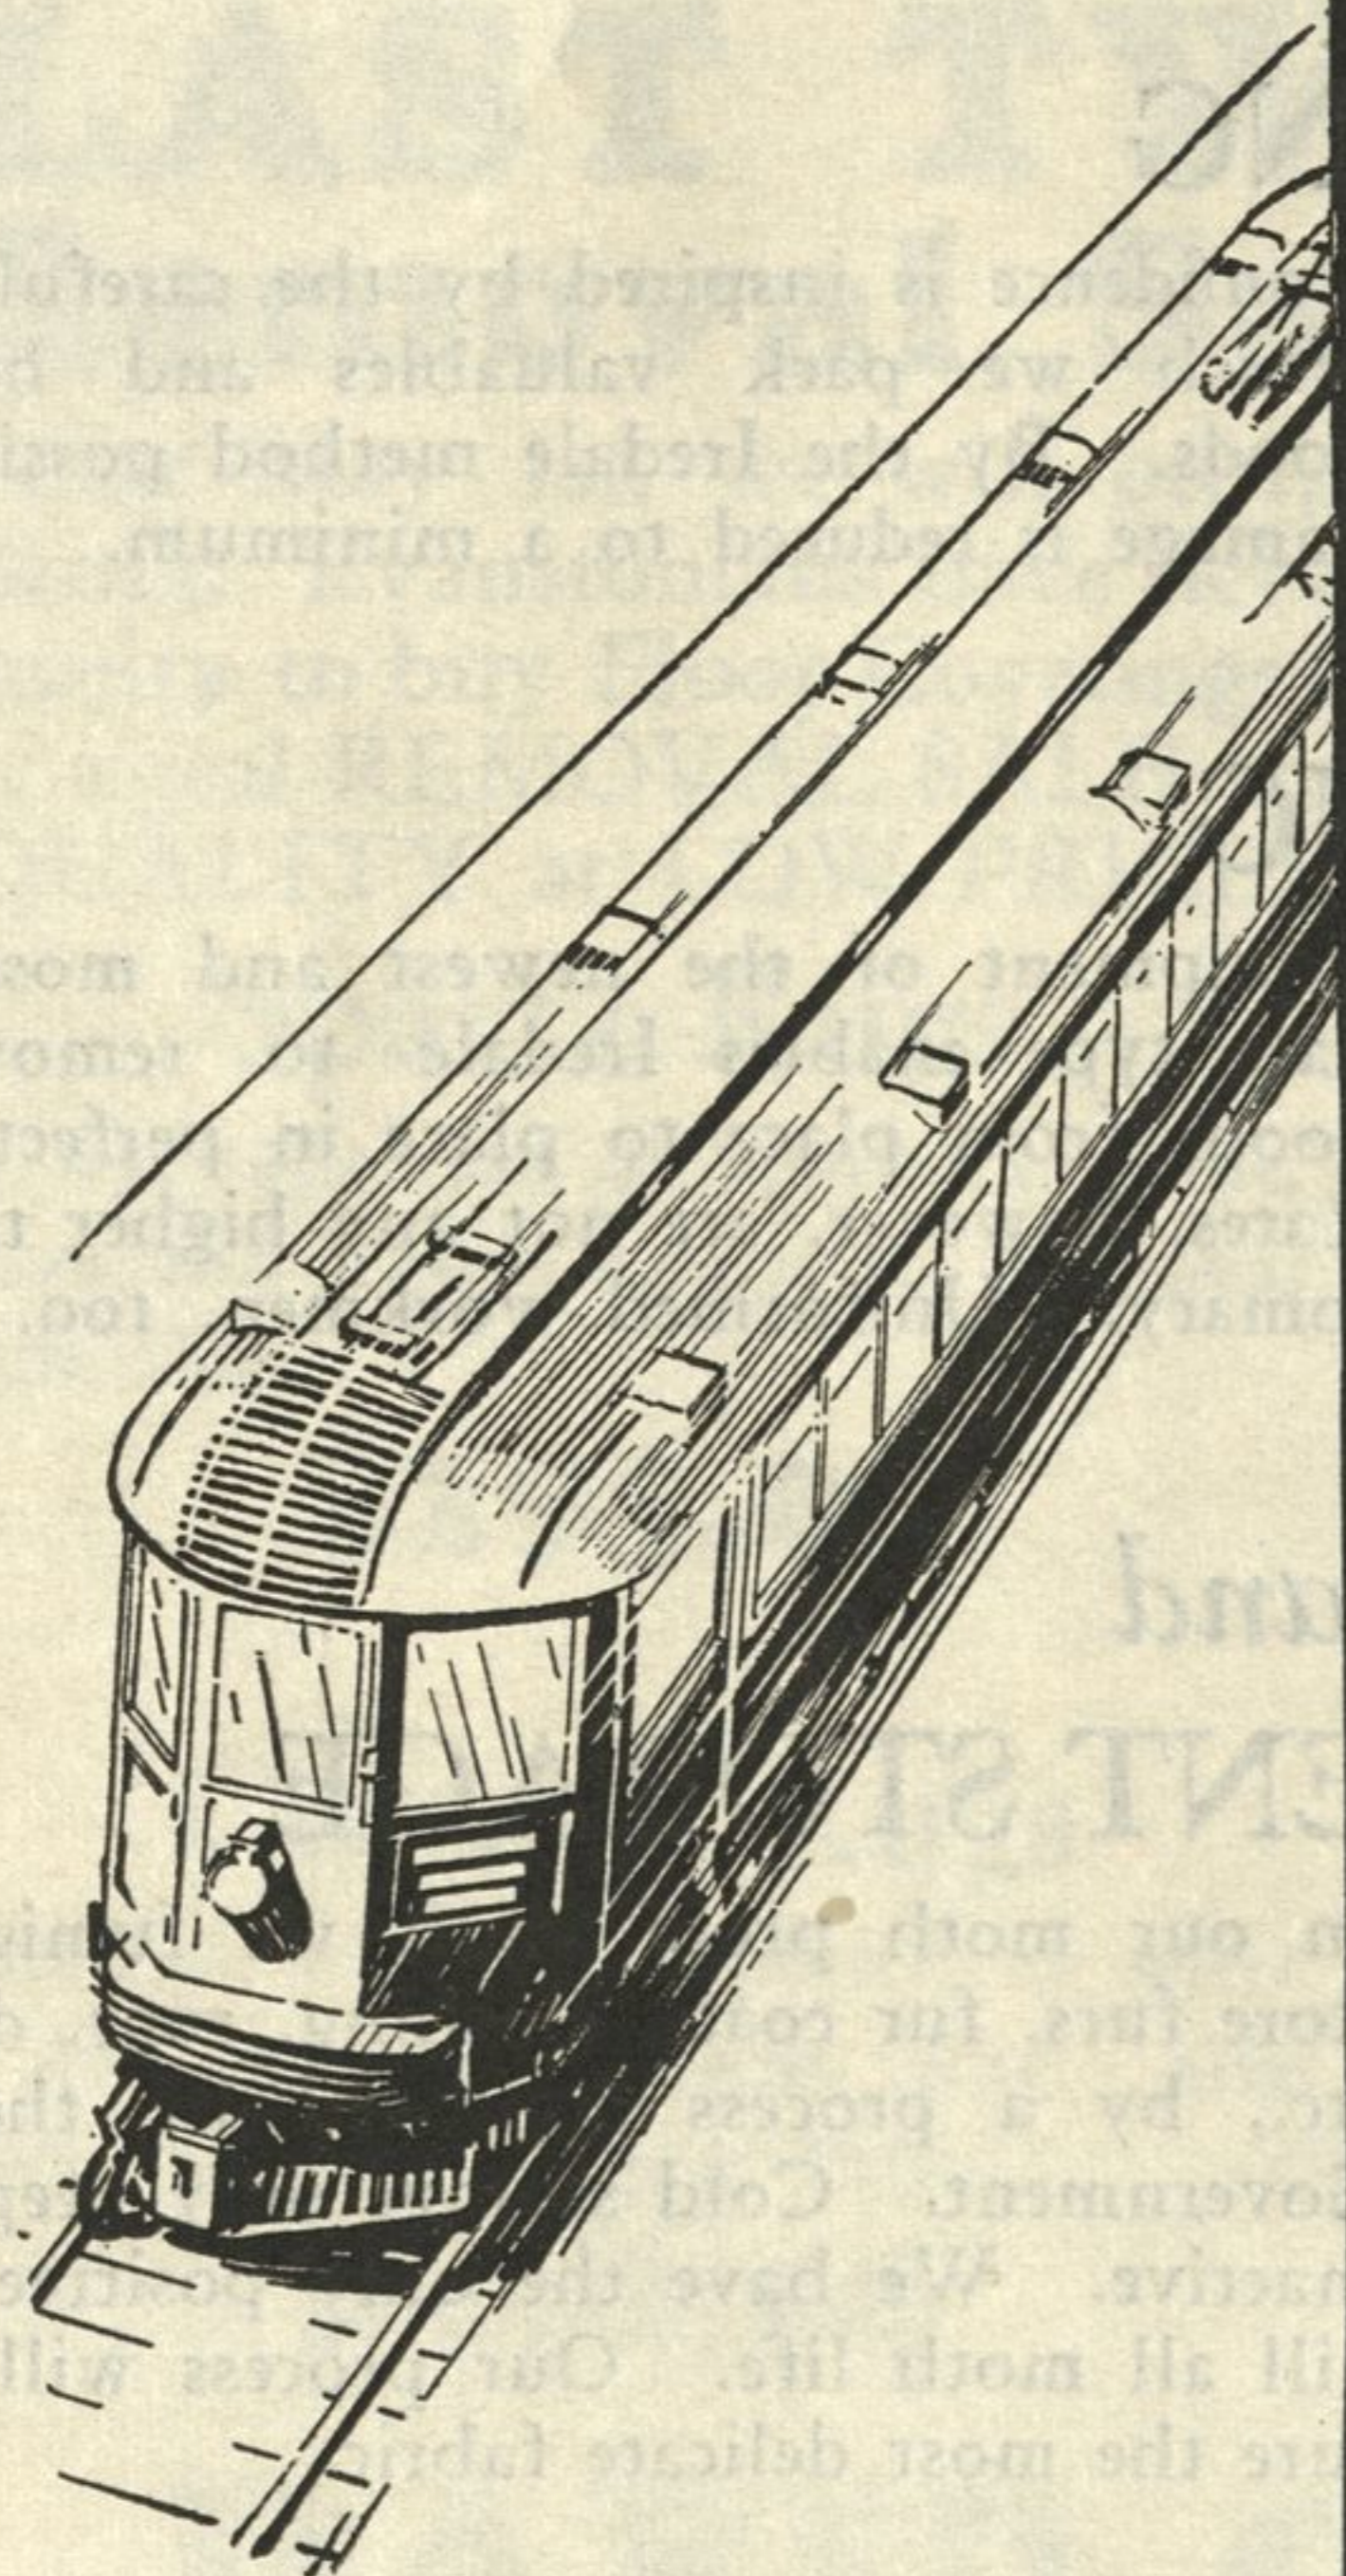

SPEAKS AT MINNEAPOLIS

Miss Clarissa Bell of the English department of New Trier High school is invited to speak before the National Council of English Teachers at the National Education association meeting in July at Minneapolis.

"Our firm wishes to compliment the North Shore Line on the excellent service given us on our car of Maytag Washers which was routed via your line," writes Mr. Wm. G. Maxted, of the Junction Hardware Co., Racine. "In the past we have waited from six to eleven days for cars of washers to arrive from Newton, Ia., but the time was cut to two days on your road."

Here's what you'd call

Convenient Commutation

1. Four trains every hour to the Chicago Loop!
2. Chicago stations that save you time and taxi fare—

Howard Street
Wilson Avenue
Grand Avenue
RANDOLPH & WELLS
Madison and Wells
Quincy and Wells
La Salle and Van Buren
State-Dearborn
Roosevelt Road

3. Direct-to-the-Loop service that really takes you to the Loop—to the very heart of Chicago's business, financial, shopping and theatrical center!
4. Board Chicago Rapid Transit ("L") trains from the same platforms in Chicago for convenient transportation to any part of the city.
