# SPRING'S NEW FABRICS

## Printed Broadcloths and Percales for Play Suits and Dresses

For the wee kindergartener, nothing could look more crispy clean and fresh than a dainty dress of printed broadcloth or percale.

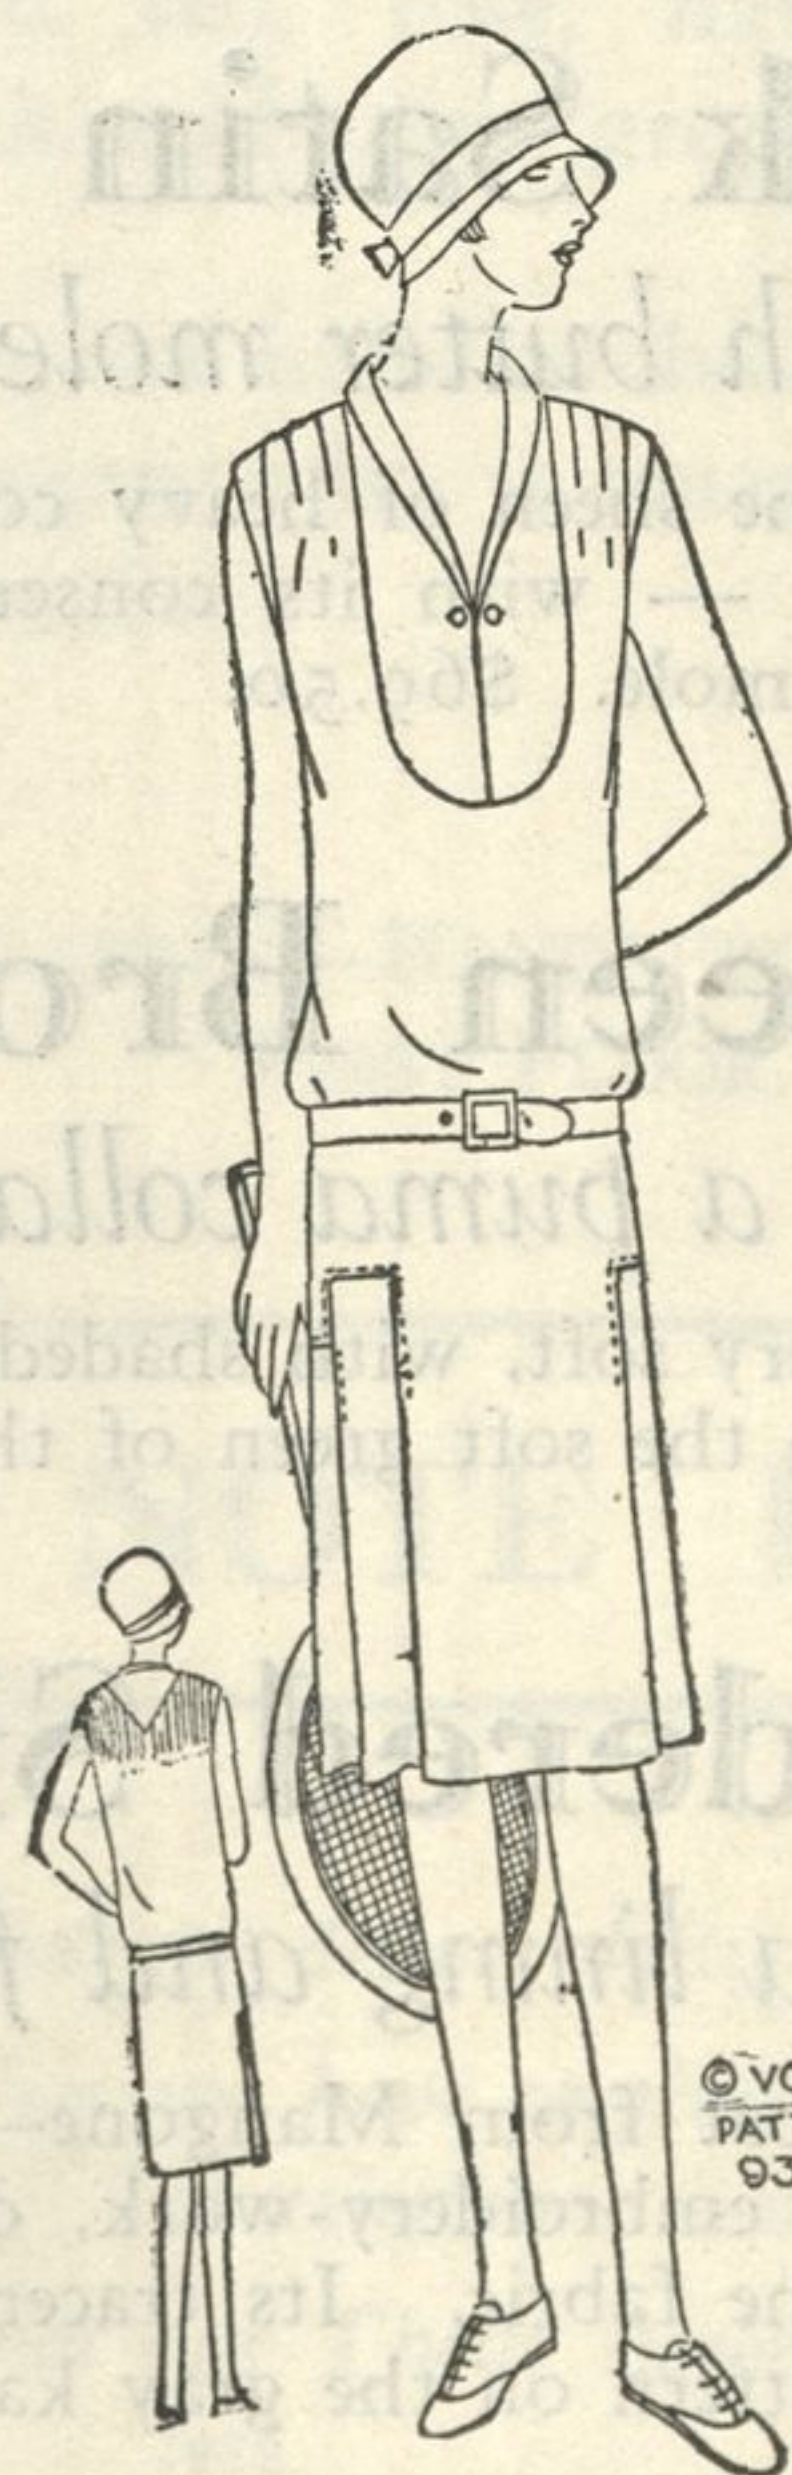

The broadcloth has white backgrounds with clustered stripes in bright and contrasting fast colors. The percales are in cunning patterns, tiny buds in floral design and then, whole toylands with bears and everything all over a white background. Some have wooden soldiers in red on parade, too.

All Fast Colors! 59c yard.

## Batiste and Dimities, 38c yd.

Clusters of rosebuds—spring bouquets—impressionistic flowers—close, small allover patterns—widely-spaced designs in which the background masses are merely punctuated by occasional buds and blooms—squares and triangles of color—conventional patterns—Plenty of choice—whether you're buying for children's dresses, porch dresses or kitchen curtains.

## Sport Dresses of Mingtoy Crepe Tub Easily

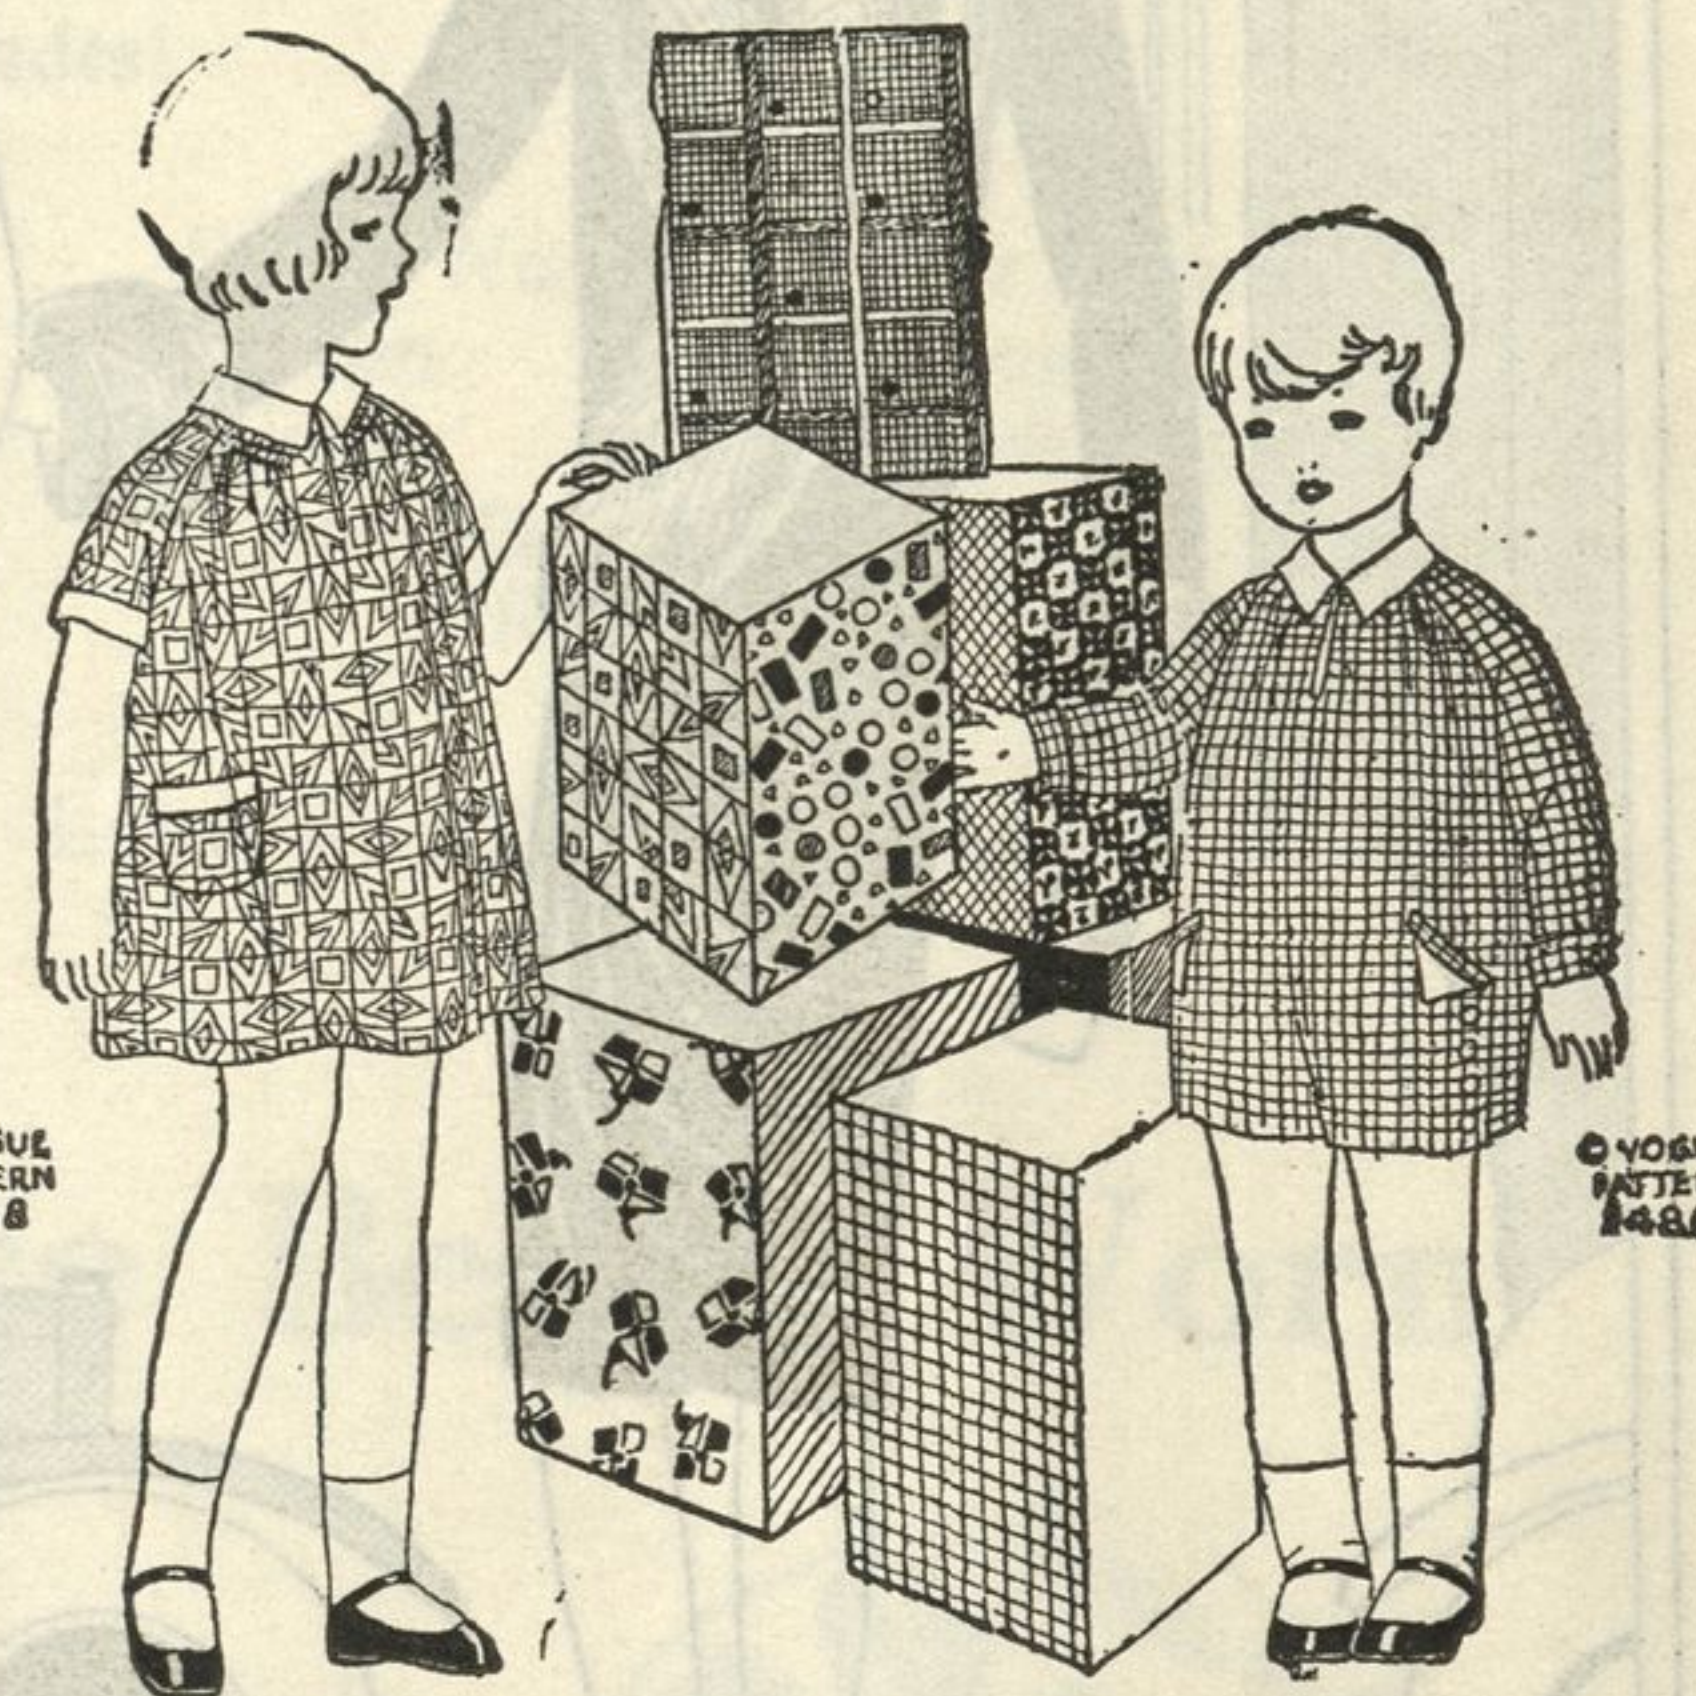

Heavy Mingtoy crepe, which launders so beautifully, makes up into smart sport dresses. 40 inches wide, \$2.50 yard.

This new Vogue Pattern No. 9327 which is sleeveless has a vestee open in the front, V in the back, with tiny tucks on each shoulder in front and in back. Lovely in any of the following Mingtoy shades. (50 in all!)

The little girl's dress (Vogue Pattern No. 2728) would be cunning in the "toyland" percale, with collars, cuffs, and pocket bands of white or plain green or blue. Or quite dainty in flowered percale.

This boy's one-piece suit (Vogue Pattern No. 2486) in striped broadcloth with plain collars and cuffs makes a nice play suit. Or, he might prefer the wooden soldiers with white collars and cuffs.

## Jaunty Suits of Homespun and Flannel

Even the little girl has her ensemble this spring. She will be smart in a combination of heather-green-and-white homespun suit with a blouse and jacket lining of Mingtoy crepe to match. Lovely and soft, the homespun is 54 inches wide, \$4.50 yard.

VOGUE PATTERN 2794

She might prefer her ensemble in plain, soft flannel with a Mingtoy blouse and jacket lining of Mingtoy crepe in contrasting color, or to match. Her jacket has tailored set in pockets and lapel collar. Or perhaps a blouse and jacket lining of a printed crepe de chine—40 inches wide, at \$2.95 a yard.
