

### Skokie D. A. R. to Close Season Monday

The Skokie Valley chapter of the Daughters of the American Revolution will hold its next meeting at the residence of Mrs. David DeCamp, 615 Abbottsford road, Kenilworth, next Monday afternoon at 2:30 o'clock. This meeting will welcome the return of the chapter's regent, Mrs. Fannie Cope, who has been in Florida almost all winter. Mrs. Cope has been in attendance at the National congress of the Daughters of the American Revolution which has been in progress at Washington, D. C. this entire week, and will bring a report of that meeting to the members of the chapter at the next meeting. It is hoped that there will be a large attendance to greet Mrs. Cope's return. The chapter has held its regular monthly meetings but has constantly felt the absence of Mrs.

Cope and has missed her enthusiasm and interest.

The meeting in May will mark the chapter's closing for the present season and at that time officers for the coming year will be elected.

Mrs. A. J. Maloney and daughter, Mary Louise, were guests in the home of Mr. and Mrs. Joseph Joyce of Kenilworth for a few days last week. The Maloneys are now residing in Merion, Pa. They sold their home here to the Mark Cresaps when Mr. Maloney's appointment to the presidency of the Philadelphia and Reading Coal company made necessary their move east.

Mrs. James C. Murray, 423 Cumnor road, Kenilworth presented before the Cercle Francais of Chicago at the Woman's City club, Alfred de Lusseps play, "Santasio."

The thinking motorist is not confusing La Salle values with those of cars whose body lines have been inspired by La Salle individuality.

Rather he studies the Cadillac-built, 90-degree, V-type, 8-cylinder engine—duplicated only by Cadillac.

He tests La Salle road performance at all paces—he allows his decision to be influenced
