There you are, Madam—
JUST RIGHT!

JUST RIGHT! That's the way you'll find our meats. Not just by chance, but because we have made a study and a business of going into every detail that makes for right quality and service. That means knowing our meats. It means knowing you and how we can best aid your own interests. It means giving you the sum total of all that is desirable in market service.

Certainly we'll deliver! When do you want us there?

In-as-much as the Price of Pork is advancing we suggest for Sunday's Dinner a choice Pot Roast of Beef.
