

New Trier Track Squad Wins Over Elgin, Waukegan

The New Trier tracksters won a hard-fought triangular meet from Elgin and Waukegan, at the latter's field, last Saturday. New Trier scored 55 points to Elgin's 52 and Waukegan trailed with 19 points.

New Trier's Juniors also won in their division, beating Waukegan 49 to 37. Elgin didn't enter a Junior team.

Most of the races were run in rather poor time as the runners had to fight a raw North wind which blew down the straightaway. This was the first meet of the outdoor season.

New Trier showed up best in the mile, winning all three places. Ted Burgess, who usually runs the half, showed his versatility by hitting the tape far ahead of the rest. Hilton came in next with Ferrman right on his heels. The remaining milers were nearly 50 yards behind.

The half-mile relay was the deciding event and consequently the most exciting. The Green and Gray was only one point ahead before the relay. Guy, who started for New Trier, received so much elbowing that Elgin was ahead when he passed the baton to Hoffman. Hoffman lit out like a scared jackrabbit though and was able to pass Marty Cassell a nice lead. Marty passed a bigger lead to Tom Brown. Then New Trierites got an awful scare for Elgin's anchor man began to overhaul Brown like a motorcycle cop until he got within two paces of him. That was as near as he could get though, and New Trier won the relay and the meet.

Austin of Elgin won the 100 yard dash. Levandusky, Waukegan's stellar dashman, tied for second place with Guy, New Trier's best sprinter.

The same men won the places in the 220 yard dash only in different order. Levandusky beat Austin out of first place and Guy came in third.

Hoffman stepped out way ahead of the rest in the quarter mile but he dropped to the end in the last 50 yards and Marty Cassell breezed in first as he usually does. McCarthy and Born, both from Elgin, came in next.

Hubert won the high hurdles for Elgin, Gordon of the home team came in second and Leach got third place for New Trier.

Gordon won the low hurdles and Bartholomew brought the Green and Gray in second. "Bart" also got third in both the high and broad jump.

Hubert was as good in the high jump as he was in the high hurdles. Carl Hall was a close second. He won two other seconds for New Trier in the shot put and the javelin throw.

Blank won the shot put for Elgin and Sullivan placed right after his team-mate Hall.

Kershaw surprised and pleased Coach Nay by throwing the javelin farthest.

Sullivan was the only New Trier man to place in the discus throw. Koch, an Elgin man, was first and Make of Waukegan threw it the next farthest.

Kershaw tied with Danfort, an Elginite, for second in the pole vault. Cooper vaulted 10 feet nine inches to win the event for Elgin.

Hubert was high point man for the Seniors, winning the high hurdles and high jump for Elgin. Hall was a close second, making 9 points for New Trier.

MacIntosh won 18 points for the Gray and Green Juniors. He had to share the honor of being high point man with Malmburg of Waukegan though, for Malmburg also won three firsts and a second. Spiegel and Williams also amassed plenty of points for New Trier, getting eleven and nine points respectively.

Hill and Powell were the only other N. T. Juniors who were able to get as much as a second place. Hill won second place in the high jump and the pole vault and third in the low hurdles. Powell came in second in the 660-yard run by a wonderful display of what is commonly called guts—intestinal fortitude.

The Waukegan baton-passers won their event easily. Coach Nay is still far from satisfied with his Junior relay team.
