HOLD WHITE ELEPHANT SALE

There was a very important White Elephant sale in Evanston for Grove House, situated in that city, and among those actively engaged in the enterprise were Mrs. Roy Osgood and Mrs. Walter Marx of Kenilworth. There was a remarkable collection of clothing, hats, shoes and bric-a-brac, including lamp shades, and crockery, and from the moment of the opening of the "private sale" which was open to those having tickets of admission only, to the end of the sale the rooms were filled with customers. Many of the women in the north shore suburbs are very active in giving their time and money to this cause.

Mrs. John Everett, formerly of Kenilworth, together with her two daughters, Carolyn Jane and Joan, returned last week from a winter spent on a cruise of the Mediterranean. They are staying at the Belden-Stratford hotel for the spring months.

There is a meeting of the Kenilworth Garden club this Friday afternoon at the home of Mrs. Harry Harrison on Abbottsford road. Mrs. Harrison B. Riley will give a talk on "A Livable Garden."

Kenilworth Voters League Attends City Convention

A number of women are enjoying the excellent lectures and discussions now going on at the Palmer House, Chicago, under the auspices of the National League of Women Voters and among which were the frank, earnest talks on international relations, given by Professor Frank Latané of Johns Hopkins university, and by Raymond Leslie Buell, director of research for the Foreign Policy association. They made some heretofore hazy facts, clear. These men are considered unbiased by party ties or conditions, and have made a study of the situation from all sides. Mr. Buell reported on the Pan-American congress which met in January and gave a clear outline of things which took place in that congress.

Meetings are going on all of this week and every hour is filled with different study groups and conferences.

POSTPONES D. A. R. MEETING

The Skokie Valley chapter of the Daughters of the American Revolution, which had expected to hold its April meeting at the home of Mrs. David DeCamp, Abbottsford road, Kenilworth, on Monday of this week, had the disappointment of postponement. Mrs. Fannie Cope, the regent, who has been in Florida for some time, was to report the recent Annual Congress of the D. A. R. but during her stay in Washington she contracted a cold and is now confined to her bed at the apartment of her granddaughter, Mrs. Sam Comley of Evanston.

Mr. and Mrs. John Rathbone of Abbottsford road, Kenilworth are entertaining as house guests this weekend, Mr. and Mrs. E. B. Sutton of Grand Rapids, and Mr. and Mrs. F. L. Proctor of Utica, N. Y. These two couples enjoyed the same Caribbean cruise as did Mr. and Mrs. Rathbone this past season.

Miss Myrtle Marweg of Belmont Park was the guest of Miss Margaret Noble, daughter of Mr. and Mrs. William Noble, 1010 Oak street, over last week-end.
