Christian Science Churches

"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, April 22.

The Golden Text was from Micah 7:8, "Rejoice not against me, O mine enemy: when I fall, I shall arise; when I sit in darkness, the Lord shall be a light unto me."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For as the Father raiseth up the dead, and quickeneth them; even so the Son quickeneth whom he will. Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life" (John 5:21, 24).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Life is deathless. Life is the origin and ultimate of man, never attainable through death, but gained by walking in the pathway of Truth both before and after that which is called death" (p. 487).

Mrs. Enos Barton is leaving next week for Williamstown, Mass., where her son, Gilbert, is in school. Mrs. Barton is to chaperon a houseparty over the week-end of May 4 and 5 at Williams college, and will then go on to various other points in the East, returning to Winnetka in about three weeks.

Miss Margery Windes, 873 Spruce street, left last Monday for San Antonio, Texas. Miss Windes will probably be gone about six weeks visiting friends in and around this historic old city.

Mr. and Mrs. Raymond Wheelock of 89 Robsart road, Kenilworth, are entertaining at an evening bridge on Saturday evening, April 28.

Abie's Irish Rose, Genuine Stage Show, Is Due at Admiral

After weeks of effort and persuasion, Managers Kryl and Miller of the Admiral theatre, which is located at Lawrence and Crawford avenues, have succeeded in securing the consent of the celebrated author and producer, Anne Nichols, to offer to their patrons, her world renowned comedy, "Abie's Irish Rose," for a limited engagement with the same big cast and production which made theatrical history in the loop, by playing 64 consecutive weeks at the Studebaker theatre.

This is not a moving picture, but a stage play with one of the greatest and most efficient company of players ever assembled, and has earned from press and public of the universe the soubriquet, "a riot of laughter."

The excellent cast of players to be seen here includes Phil White, John McCabe, Ted W. Gibson, Patricia Quinn, Thomas McGrath, Alfred Clarke, Eddie Pascal and Bertha Walden.

Mr. and Mrs. Charles T. Mordock, 645 Maple avenue are returning today from San Francisco where they have been visiting their daughter, Mrs. J. D. Adams. Mrs. Mordock has been away from the village about six weeks and Mr. Mordock joined her about a month ago. On their way home they stopped and visited in Santa Barbara, Pasadena and Salt Lake City. John B. Mordock, their son, who attends Cornell journeyed west and spent his spring vacation with the family.

Mrs. Franklyn C. Ellis has come on from Rochester, N. Y., and has been staying with her parents, Mr. and Mrs. L. Harrison Mettler, 1119 Sheridan road, for several weeks so that she might attend the pre-nuptial affairs given for Miss Elinor Woodward and the wedding which will take place this evening.

On Saturday of this week, Mr. and Mrs. Roy L. Arey, 929 Tower road, will leave for Miami Beach and Cuba. They will be gone two weeks.
