

### The Holiday Shops

(Contributed)

The Holiday Shops are ready to announce the various committees in charge of booths and other arrangements, together with the co-chairmen presiding over each.

Although the beloved and efficient general chairman, Mrs. William C. Boyden, has been called away, the Holiday Shops will carry on. The assistant general chairman, Mrs. Frank T. Crawford, is at present directing the enterprise. She is confident that every woman concerned will feel a strong incentive to carry to a successful outcome the plans so carefully and completely arranged by Mrs. Boyden. Achieving an outstanding success would only be a fitting expression of appreciation for Mrs. Boyden's initial contribution to the undertaking.
