

New Trier Wins Over Des Plaines in Track Contest

New Trier won a dual track meet at Des Plaines last Saturday. The Gray and Green tracksters ran up 72½ points to their opponents' 58½.

Funcksteiner of Maine and Milton Guy of New Trier fought it out for first place in every one of the dashes. Guy won out in the 50 yard dash, but Funcksteiner came in ahead in the 100 and 220. Tom Brown won third place for New Trier in the 50 and 220 yard dashes.

Gray and Green runners copped the first two places in both the 880 and the mile. Burgess easily won the half mile and Windes was right behind him. Iloff hit his stride for the first time this year and won the mile with a comfortable lead. Ferrman beat out Schraeder of Maine for second place.

Bartholomew showed up very well in the hurdles, winning the high hurdles and getting second in the lows. Dave Wanger won the low hurdles.

Kingsley sprung a surprise by tying for first place in the pole vault with Stevens of Maine at ten feet. This is much better than he has done in previous meets.

The relay as usual was very exciting but its result was not as pleasant as it has been in most meets. New Trier had the lead until Funcksteiner took the baton for the Blue and White. He overhauled "Marty" Cassell, New Trier's anchor man, until he was abreast of him. Then he began to fall back, for "Marty" put up a hard fight. He finally forged ahead through and hit the tape a foot ahead of Cassell.

Funcksteiner, Maine's flashy sprinter, was the star of the meet, winning twice as many points as any one else, 18 1-4. He won two dashes, got second place in another, tied with Dave Wanger for first in the broad jump and won the relay for his team.

Dave Wanger was New Trier's high point man and Funcksteiner's nearest rival with 9 points. Bartholomew was close behind him with 8 points.

Motor to Indiana for Hike in Forest Preserve

Mr. and Mrs. L. K. Gillson of 706 Forest avenue, Wilmette, Miss Mabelle A. Payton, teacher of English and public speaking at New Trier High school, and Miss Margery Stewart, teacher of chemistry at New Trier, left last Friday afternoon on an auto trip to the Turkey Run Forest preserves in Indiana, where they spent the week-end hiking in the preserves, studying wild flowers and birds, and

observing nature's "multiform splendor."

The Gillsons are great nature lovers, and it was they who planned the interesting trip to one of the country's best forest preserves. Miss Stewart is an authority on birds and flowers. The party returned Sunday evening.

A meeting of the Mount Vernon Seminary society will be held May 8, at 11:30 o'clock, at the Chicago Woman's Athletic club. Luncheon will be served and Foster Krake, baritone, will give the program.
